## Enter Into the Holy Ritual of the Crystal Chalice Jubilee!

**Y**ou have come having prepared your vehicles of consciousness. You have donned the Wedding Garment of Light and put on the White Fire of your own Mother Light. You are now ready to enter into this Holy Ritual, one that will enable you to step up the very vibration of the entirety of your temple!

Entering into this Ritual is an activity that you do not engage in merely as a physical activity, an emotional activity, or a mental activity. Rather, you first and foremost surrender all that you are to your Mighty I AM Presence. For then and only then can you truly be prepared to receive the Crystal Chalice Light poured into the upraised cup of your consciousness to infuse your body temple and to have the Charge of Light required to carry on the Divine Plan of your lifestream.

I AM the Goddess of Purity! And it is my honor to stand in this atmosphere, radiating the Mother Light of the Great Central Sun, so that all might receive their just portions, according to their Attainment and ability to hold fast to the Light. Many will come. Each one will know just how prepared they are.

Have they purged their consciousness of all of the unreality that has been brought to the fore for them to put into the Flame, the Violet Transmuting Flame? Have they put aside their pettiness, or harboring of ill will of any kind, so that they might receive the Full Abundance of God Love flowing from their own Flame upon the Altar of the Heart, ready to connect with the Allness of God, pouring forth Divine Love for all mankind? Will they have established a sufficient momentum of Devotion to the Mighty I AM Presence to forge that Holy Communion?

Oh, surely, your Presence being All-Powerful can and would establish a current of Light so charged as to sustain you and your vehicles of consciousness through all of your endeavors. This is indeed done for every incarnation. But what of the return current from your own Heart Flame of the Mother Light entrusted to you? Have you turned the corner within your own consciousness, vibration, and emanation of Light from your own Heart Flame to knit that heart together with the Fullness of your Mighty I AM Presence?

Trust in your God Presence. Faith, even in that which is unseen but known within your own heart, will sustain the abiding Love required so that you might fulfill all the days required of this incarnation and beyond.

Entering into this Holy Ritual of the *Crystal Chalice Jubilee™* will assist you in reaching that next plateau of God Consciousness that your Mighty I AM Presence so desires for your outer vehicles. For though the Heart Flame is one and the same in each plane of consciousness, it remains to be seen just how much of the saturation of the Flame upon the Altar of your Heart is unfurled into your life!

It is easy to speak of the things that you desire to accomplish. But it is most challenging to draw forth the Light from your God Presence and step up the vibration in each of your vehicles so that you might have a closer communion, day in and day out, with your Mighty I AM Presence. Then no longer will there be those thoughts within your mind that try to creep in, that would feed doubt or human questioning. For the Flame upon the Altar of the Heart and the very Vibration that you have drawn forth from the Mighty I AM Presence into your life sustains you in the Fullness of the Hand of God!

You will desire to hold dear the acceleration of the Light that you receive during this Jubilee Celebration of the Light of God until the next cycle, testing your own ability to maintain that Vibration of Light and God Consciousness throughout the year. . .

- ❖ Building upon that which you have received and charting new territory
- ❖ Understanding more of the Presence of God and how to integrate all of the facets of God Reality and the many God Qualities into your day-to-day life
- ❖ Healing the areas of your life that have carried burdens far too long of unreality
- ❖ Allowing for the saturation of the pure White Light of the Mother Flame to scintillate through each cell so that you are cleansed, purified, and able to breathe in the rarefied atmosphere of your own God Presence to keep you sustained at that pitch, tone, and vibration that you have come to recognize as Akasha.

There, in Akasha, blessed ones, you begin to receive more and more of the abilities that you have known were there all along within your own Causal Body, drawing them forth to impress upon life — your life — the Patterns of your Mighty I AM Presence, its Keynote Identity, that will saturate and bring to the fore all of the wonderful creations that your Presence desires.

You know of desires that you have oftentimes secreted away within your own heart that you wish you could fulfill. Perhaps those desires are the yearning of your own God Presence for you to grasp the idea and God Consciousness to be able to bring to the fore that unique talent and creativity. Perhaps you have tried for many incarnations to bring it to the fore. But because of entrenched human lifestyles that were out of keeping with the Purity and the Light of God, as quickly as that high ideal would be impressed upon your heart or within your mind, it would dissipate then vanish. For there was not enough of the Light of God in your chalice to hold it fast, to nurture it, to breathe the Light of God into it and bring it into manifestation.

The *Crystal Chalice Jubilee* is an opportunity for you to receive the Abundant Light of your Mighty I AM Presence and the Light from the Great Central Sun streaming forth, to augment all of those desires your God Presence has for you, to step up the very vibration within your own life that will allow you to accomplish even the most challenging of tasks. And know that the gratitude belongs to the Mighty I AM Presence for the accomplishing of all.

Those who most quickly reach the high goal of the Ascension in the Light are those capable of surrendering to their Mighty I AM Presence and putting into the Flame all human creation, not only what they are aware of consciously, but addressing that which is in the unconscious, all of the buried records of the many incarnations, and allowing for the Flames of Transmutation and the purified action of the Mother Light to raise them into that next level of vibration that will allow for their God Presence to begin to transform their life into that closer Holy Communion with their own Mighty I AM Presence.

Long have I, the Goddess of Purity, stood waiting for the cycle when there would be those lifestreams come into incarnation who would have the ability to receive and hold fast the Light from the Great Central Sun and their own Mighty I AM Presence that would step up their Christhood and allow them to begin to accept the Presence of God that they are.

You, blessed ones, have presented yourself to the Karmic Board and the Cosmic Councils on this, the *Crystal Chalice Jubilee*. And from this inauguration forward, you will be reviewed. How will you hold this Light until the coming Jubilee? What will you do with the Light till the next Jubilee? And will you

be ready to receive opportunity in your own life to move beyond the present way of life into an Ascended Master Way of Life? This review, blessed ones, will occur before the anniversary of the next *Crystal Chalice Jubilee*.

The Karmic Board has determined that you are capable of achieving this high goal. For they do not grant Dispensations that are not able to come to fruition in your life. Let not this opportunity pass you by. Let it not be thrown off as just some empty ritual. For I promise you, it is so much more.

The Fullness of the Light and the Momentum of your own God Consciousness in the Mighty I AM Presence awaits your upraised chalice so that you might receive its Light. Hold it fast. Maintain a bended knee before the Altar in gratitude and supplication to God. Surrender to the Mighty I AM Presence! And hold fast to the disciplines required to keep the Light, so that it will not be squandered. You are up to the task. For it has been written so.

Let your Heart be elevated into the Oneness with your Mighty I AM Presence in this moment. Let your attention be upon the Presence. And see the White Fire streaming forth, encompassing the entirety of your body temple as I, the Goddess of Purity, draw forth the Mother Light from the Great Central Sun!

*Hear, O God! I, the Goddess of Purity, call forth the Mother Light to nourish each one who has prepared themselves! Step up their vibration! Fill their chalice! Let them behold the New Day for their lifestream as it dawns!*
