## ESTABLISH MY TEMPLE FOR THE EARTH

With every coming of one of Earth's great Manus, a spinning action is anchored in the Earth that sets worlds spinning in a tremendous *acceleration of Light*, throwing off negativity and depositing the Consciousness of that Manu into the Earth. Because of our vested interest in the Victory of the Sons and Daughters of God, each one of the Manus holds the Earth in the firm embrace of their Eternal Consciousness.

Understand, Blessed Hearts, that where the Law requires that a more than ordinary God Consciousness be deposited into the conscious awareness of Firstborn Sons and Daughters, We come and We initiate new cycles. Just as your very own first incarnation was a new cycle for your lifestream, so there are those collective Earthly cycles that are deemed necessary throughout the ages.

O mankind, you are in the midst of just such a new cycle, the Manu Yuga. One where the requirement of the Law is not merely that you observe from the sidelines the activities that We, as Cosmic Beings, perform for and on your behalf, but that you also participate in the fulfillment of the Law. And is this not why every Dispensation and cycle of Cosmic Light that has come forth has held at its core a Grand Purpose for the individual lifestream? For we understand that you may be approaching your own life with a less than grand and glorious regard for those responsibilities which you are to accomplish day-to-day.

Blessed Hearts, the Flame upon the Altar of your Heart desires to be fully engaged in Life, to set before you, as a Standard Bearer, the Divine Intent of your own Presence that you might fulfill every Good and Perfect Desire breathing forth from the very Heart of God.

The cycle in which you find yourself engaged is one of great import to the entirety of the Earth. You may not appreciate how important your calls are to the Mighty I AM Presence or the Ascended and Cosmic Beings. But I tell you, without those calls, We would not be afforded the ongoing Dispensation of The Temple to come with such constancy and to pour out upon the Earth still more Dispensations of Our Light and Cosmic Christ Consciousness for you to absorb into your life.

Without your calls, there would be a drought of that precious unguent of God's Light for you to receive. For you do indeed prime the very Fires of your own Heart each time you look to the Mighty I AM Presence; each time you pause to conceive even one fleeting thought of the Perfection that you are to outpicture; each time you become the hands and feet of your own God Presence in the activities of your life. This instantly releases more of the outpouring of the Consciousness of the Pure Light of God into your chalice, into your waiting Heart.

Where there is the acknowledgment of God in all forms, fashioned into the fabric of life, upheld by those who know the co-measurement of what is right and what is wrong, what is true and what is false, what is just and what is unjust. Then, Blessed Hearts, you see the Flame of God burning brightly in the land, and all about are creating a new world wherein Sons and Daughters may prove their worthiness, may establish more of the Divine Qualities that the Heart of God would have come forth.

In order that all of this may come about, I must hold the Vision for the entire Earth in my Consciousness for the transmutation of unreality that has taken such a strong grip upon the consciousness and experience life of so very many. For the necessary changes to take place, the few must stand in the Light on behalf of the many who know it not. And this is where I, the Great Divine Director, petition your own Mighty I AM Presence, for I speak with the Authority of Manu:

*“O Great Presence, send forth the Light into the vehicles of consciousness of your own outer self that is to shine forth brightly and maintain the Light in the Earth! Release God Direction to your own outer consciousness. Require the four bodies to uphold the fullness of Our Light as it is transferred from the Cosmic Councils and, yes, from My own Heart Flame! Thus shall Earth continue to accelerate toward the Golden Age. Thus will greater numbers of the Sons and Daughters of God awaken to the identity of their God Presence! And in return let there be the glorious resounding and accolades of grateful Hearts, as wave upon wave of God Gratitude is deposited within the Heart of the Great Central Sun.”*

*"This, I call to each incarnate I AM Presence presently engaged in the fulfillment of its God Mastery as divinely intended. Let the Perfection of God come forth! Let there be the fulfillment of the Divine Qualities of the Great I AM THAT I AM etched upon the screen of life! And let there be an expansion of the Light in the Hearts of those who are preparing their consciousness, who have disciplined their vehicles, who have made themselves ready as a Sacred Chalice to receive the descent of Ascension's Light."*

Beloved Ones, when you come together, let there be a great rejoicing that heart-to-heart you have found kindred spirits who share a common bond, the Supreme Desire to be that Chalice prepared. And then let the Light roll across the Earth as your decrees carry the weight of the Cosmic Christ Command:

*"I AM the Light of God which can not and will not fail!"*

Then, Blessed Ones, you will see a turning of Earthly cycles toward the Sun. You will see it out-pictured among those who know not why they have elected to make the statements they make, to create what they have created, to determine to move with the Light, though unaware of its presence.

As you perform your daily devotions to God, understand you are reaching out to the Individual Presence of those for whom you are decreeing and your calls are indeed benefitting them. Then as you expand your calls further to include all mankind and all the Earth, you are in constant contact with every unascended Presence! You may be invisible to those who know not your name, but you are a Light and a friend to their Mighty I AM Presence! This collective drawing together of each of the Mighty I AM Presences across the land will signal a new cycle of full acceleration of the Divine Light.

I have elected to come as a foreshadowing of the Light that will be released during the coming July Conclave, due to the efforts, not only of the Sons and Daughters of God who bear the Light upon the Altar of their Heart for all to see, but in large part thanks to the boundless grace and lavish generosity of the Ascended and Cosmic Beings who will be in attendance to your Flames. For there is much to do, and little time to accomplish the task!

Mark each day as a day of preparation for your coming into your own Light and attainment, so that the Divine Plan for the entire Ecclesia can be fulfilled under the canopy of this Ascended Masters' Vanguard Activity. And when the call goes out: "Prepare ye your Temple," there will be those many hands and feet ready to take up, first the calls to the Mighty I AM Presence, then to the active anchoring and manifestation of all that would bring about the expansion of The Temple.

In Our eyes there is One Temple: The Temple of The Presence of God. Where the Presence of God lives is where that Temple is raised up. That is why, when We come, there is a moving of Earth, for the Light so deposited with the magnitude of the transfer of the Power of God establishes its resonance and throws off all unlike the Purity and the Truth of the Law. Let this ground be hallowed for the purposes of God, and for the coming of the Golden Age.

I, the Great Divine Director, seal each one in the commandment of their own God Presence for the vehicles of their incarnate consciousness:

*"Be ye ready! And establish My Temple for the Earth."*

Be sealed in this Light as you take up every nuance of activity required to fulfill the Great Divine Direction of My Heart.

I thank you.

*Great Divine Director*

Public addresses to the Students presented in *The Voice From The Temple* have been prepared by the presiding Master for release in written form for our present use and for posterity.
