Establish the *Oriflamme Chalice*™

You are called to become a Crystal Chalice, to establish a purity within your vehicles of consciousness so that you might take on the Charge of your own God Presence, establish Momentums of the currents of the Fire of God to impart to the Elemental Forces of Nature the God Consciousness that you are vested with, so that you might establish God upon Earth! That is your Office and your right as a Son and Daughter of God! Your hallmark, your signet is the Threefold Flame in your Heart. For it establishes the True Identity of your God Presence wherever it is allowed to stream forth in Purity.

Likewise, you have been charged with the Responsibility of establishing the current of the Ruby Fire exemplified as the Ruby Chalice — once more another Chalice that you are to become; allowing for the intense Love of God to purify, to bring wholeness, and to establish the Kingdom of God through the transmutation of all impurities; allowing for the Fullness of God to reign and to exhibit the Divine Patterns and Blueprints eternally established in the Mind of God. You can elevate this Ruby Chalice, brandishing its penetrating Needle Rays far and wide across the Earth with your Calls and your Momentum of Light.

In the coming cycle, you will be charged with a new Dispensation and opportunity, taking what you know and have already internalized as the Ruby Chalice, as the Purity of God's Fire in Love, and establish the *Oriflamme Chalice*. Holding this Grail high, invoking the Dispensation that will go before you day and night, you shall reestablish the Patterns of God Purity and Perfection for the Divine Victory of the Sons and Daughters of God throughout the Earth! When you call forth the Rays of the Ruby Fire through

the *Oriflamme Chalice*, it matters not where those Rays are directed, for all will be purified, all will be held within that firm embrace that is the Divine Pattern from its inception in the Heart of God.

It is my honor, as the Maha Chohan, to put aside the veil of your own sense of unworthiness or inability to enter into this Sacred Ritual, or to act in the high estate as a priest and priestess of the Sacred Fire, calling forth this Divine Edict of the Mighty I AM Presence, of the Lords of Karma, and of the *Entire Spirit of the Brotherhood of Light*.

You have the foundation of the glorious God Qualities of the Seven Rays that you, as the Mighty I AM Presence, are vested with. You have the foundation of the Five Secret Rays that you now know of as the Pranic Breaths, that allow you to put into action, into form, into thought, into all manner of God's Body Consciousness, the Divine Outpouring and Patterns that will establish a place prepared for future generations to come forth and fulfill their Fiery Destiny! It is not enough for one generation of the Sons and Daughters of God to come into embodiment, reap their own personal reward of that incarnation, and then leave without a backward glance or consideration as to what foundation they are leaving for their offspring, for the next generation.

Certainly long, long ago the Ascended and Cosmic Beings knew well that the Earth afforded a suitable platform upon which the Sons and Daughters of God could thrive, could establish Momentums of God Good, could learn to overcome any sense of limitation and draw upon the current of Light of their own Source in the Presence of God to bring about the complete fulfillment of the Desire of the Mighty I AM Presence.

For indeed, in the appropriate cycles and times, the Mighty I AM Presence has transferred that Divine Desire, increment by increment, into the Flame upon the Altar of the Heart, so that when the Call comes from the Flame of God, it rings clear. You stand poised and readied to receive that Call. You have established patterns of life that are clean, sacred, pure, that allow for the Charge of Light of your own God Presence to constantly stream forth, building up an even greater Charge and Momentum, so that when you get the Call, when the Divine Patterns of the next cycle for you are released into your consciousness, when the door is open and you are called to step forth, you are ready! For you are never thrust into a new opportunity unless you have received all that you require to fulfill it victoriously.

That is why, blessed ones, with the coming forth of the *Oriflamme Chalice*, together with the Calls that you are to give in accordance with this Chalice and Momentum of God as the Ruby Fire, you can be assured that you have the firm foundation upon which to stand and be God Victorious!

Throughout the ages, there are those notable turning points in recorded history when you can see that mankind has been given new opportunity to achieve greatness! There were always the few that led the many. You cannot think for one moment, merely because there are but few today that will outwardly know of the *Oriflamme Chalice*, that somehow it diminishes the very Victory that can come forth! For the *Entire Spirit of the Brotherhood of Light* stands poised and ready to respond on the instant to each and every Call that is made! And when your Call goes forth with precision, in Harmony, and with steadfast Constancy in holding fast to the Flame of God, you will understand how the Power of God shall indeed bring about the Victories that are needed for the Earth.

You are preparing the next generation's cycles. For whatever Dispensations they receive will be contingent upon what you accomplish with the Dispensations you have received! To understand the Fullness of God Reality in your life, requires that you begin at the beginning in the Great Silence. You hold to the patterns of Harmony and Peace in your life, so that you are able to register those high attenuated strains of God Consciousness that will come upon you.

If you never set aside the necessary time to engage wholeheartedly in Listening Grace, you will miss the mark. Let there be space in your day when you set aside a moment, ten moments, or longer, to *hear* the Word of God, to *feel* the Charge of God Consciousness, to *register* the Peace and deep Harmony that comes upon you when you are in the Fullness of God. Then, when you are called to go before your altar and invoke the Fire of God, you have your chalice already prepared! It is strong! And it is courageous. Your invocations are clear and true. And the intent is for God Good.

Blessed hearts, throughout the ages there have been those prominent cycles given to mankind to shift the balance of good and evil in the Earth and allow for a greater opportunity for God Consciousness to come into *active participation* with life. But sometimes those opportunities have been missed because there were those who did not believe. There were those who were too busy. There were those who did not have enough of the Charge of their own Threefold Flame of the Heart coursing through their outer vehicles for there to be a registration of the Truth of Cosmic Law when it was lowered.

So you can begin to see why over many ages there has been an ebb and flow of the Stream of Light coursing through the Sons and Daughters of God.

Among the many there is always the possibility of widespread rebellion against God, of rebuke, refusal, recalcitrance, or resistance, if you will, to the Hand of God. But not in the faithful! Not in those who are truly anchored in the Light of God. Not in those who know that they have come to love God with every erg of energy of their being. Not in those who know they have received great blessings. And it is to you, our faithful disciples, that we throw open wide the door of opportunity to embrace the *Oriflamme Chalice*. The Fullness of this Opportunity can always be expanded and multiplied as its Momentum is established within more and more of the Sons and Daughters of God who will elect to call it forth.

So you see, blessed ones, all depends upon what you are willing to do. How well you prepare your vehicles of consciousness before this Easter Conclave, when the full weight and measure of the *Oriflamme Chalice* will be lowered, will determine if you are ready; if you have the stuff of God teeming within your vehicles of consciousness, ready to receive this Charge and Momentum; if there is sufficient Purity; if the Will of God is anchored and the Power of God is poised and ready.

This is how you prepare for battle. Not a battle of armaments, of war that brings death. This is a battle, blessed ones, to bring forth the Purity of God Consciousness! To infuse the land and all thereon with the Glory of God! And to have anchored there enough Momentum, that in the days to come, those who aspire to break the chains of the bondage of their own human creation and unreality will have a way clear to move forward.

Those disciples who have been earnestly on this Path for quite some time, knowing themselves as Godhead Charioteers, are oh, so blessed. For you know the Truth of God that is anchored within you. You have come to depend upon God. And that is as it should be. For the Mighty I AM Presence is the All-in-All of your Being! It is the Source that you look to for every good and perfect thing that is to come into your life!

So you see, blessed ones, you do indeed have a firm foundation already prepared! Hold fast and build upon that foundation, so that as the Crystal Chalice that you are, you can fully and completely execute the Fullness of the *Oriflamme Chalice* as it is lowered into the atmosphere roundabout you to draw upon and send forth the Ruby Rays of God Command to go forth to establish God Victory.

The blessings of God are unending! They abound throughout the Kingdom of God for you to appropriate and draw to yourself, and for your family, your country, the world. Recognize that you are immersed in this glorious Mercy of God, that you may drink in and eat of the very Body Consciousness of your Mighty I AM Presence! You may breathe it in. You may move within it. You may establish such a momentum that you and all your affairs are wholly and completely elevated into the glorious Light of your own Mighty I AM Presence — if you make the election to be that God Self and resolve to abide within that Light of the Presence forever!

Let the Presence, the Mighty I AM, carry you over all of the seeming obstacles in your life and install you firmly on the pinnacle of the high mountain, where your God Presence reigns supreme and the fulfillment of your Divine Plan has the greatest opportunity to come to the fore.

Let the *Oriflamme Chalice* go before you to clear the way and to bring God Victory to one and all!

I AM,

The Maha Chohan
