## Come! Enter into our Emerald Retreat!

I AM the Elohim Virginia! And I stand in the Fullness of the Virgin Consciousness, holding the Patterns of God Perfection for your lifestream and for all upon the Earth. For thus is the Commandment of the Almighty, that the Fullness of the Realm of Perfection be held inviolate here below, streaming consciously from Elohim to you, so that at no time could you entertain doubt that the Perfection of God can be attained.

I have elected this day to take you to our Etheric Retreat in the Far East where you may focus your attention upon the Power of God as it streams forth into your vehicles of consciousness, even as you strive to align your spiritual centers to be the focus and the conduit of that Power. For it is the Power of God that must be drawn forth in order to create. Certainly all the elements that you have previously been taught about are required. But perhaps you have not truly understood the magnitude of God Power that is required for you to draw into the physical, the emotional, the mental, the memory bodies those Patterns of God Identity that in their rarefied atmosphere of Perfection and Purity must be lowered into this outer realm in which the preponderance of human creation would distort or despoil that which is forever borne in the Heart of God.

So you must go through the training and the exercises required to be able to hold fast to those Patterns with your own vehicles of consciousness. For if the mind is wont to entertain impurities, or there is lodged within your emotional body anxieties, hatred, all manner of misqualified energy, then you, blessed ones, must realize that that which you would draw forth

from the Realm of your own God Presence will not have the needed charge of Perfection to draw it forth.

In our Retreat, you are taught to meditate upon the Perfection of God, to hold the Purity of the Patterns of all things desired firmly within your own third eye, so that as you focus the Concentration of the Emerald Ray with your third eye, that Power, combined with the Power of the White Fire of the Mother Flame, will etch upon the screen of life that which you desire! Naturally, there are other teachings and instructions you will be given to facilitate the creative process that your own God Presence desires for you as the incarnate lifestream of its own Heart Flame to perform.

Thousands will come and join with you in this Etheric Retreat, waiting patiently to be taught by Cyclopea, who will come when you least expect him. And I, Virginia, will hold the balance for each one of you in the Immaculate Vision that I hold of your Mighty I AM Presence so that you will not be tempted to fall back into the old patterns of impurities lodged within your karmic records.

Throughout this process, you will come to understand how greatly the disciplines in the Emerald Ray will help to facilitate greater healing within your own vehicles. For the very lifeblood of the Royalty of your own God Presence will be ever close at hand! Thus you will forge new, conscious pathways with your God Identity, the Truth of who you really are! Then when you stand before God, before your brothers and sisters of Light, you will radiate the Purity that can only come from the Sun of your God Presence as your Heart Flame is fully engaged.

These vehicles of consciousness that you wear are intended to be the home of your Mighty I AM Presence where the Qualities of God and the Virtues of the Pranic Breaths can radiate and function fully in the worlds of form, in time and space. Many of you take for granted the very breath you breathe in each day, not realizing that even that breath is a Dispensation from your own God Presence to sustain you in the life you are to lead. Perhaps that life has not been galvanized into its Perfection at present, but the Mighty I AM Presence has great hope that the Heart Flame will yet awaken within the outer vehicles and radiate the Perfection required to carry out the Desire of the Heart of God.

When you understand the creative process within your own vehicles of consciousness, you will be able to have a greater awareness of the Allness of God that has brought forth even the Earth herself. Oh, there are many scientists, geologists, and all manner of lifestreams who spend their days,

and even many embodiments, pondering how the Earth was created. But you, blessed ones, will know firsthand how the Charge of the Mighty I AM Presence released into Patterns of Divine Creativity via the Pranic Breaths can take form, momentum, dimensions, and burst forth in manifestation.

You are invited to our Retreat nightly in preparation for your sojourn at the coming Harvest Conference and Acropolis Sophia. For there you will learn firsthand the God Vibration that must be attained in your vehicles of consciousness if you are to conduct the Fire of the Emerald Ray and have the Harmony and the Love for God sufficient to embrace the disciplines required of your vehicles of consciousness. You will recognize the White Fire of the Mother Light as it courses through the spinal altar, accelerating your vehicles of consciousness, so that the Fire of the Emerald Ray may enter and re-establish the Patterns of Perfection — even to the cellular consciousness of your own body temple!

### *Cyclopea*

Embrace Illumination's Flame as Wisdom's Golden Elixir working in conjunction with the Emerald Ray — fashioning and forming each detail of God Consciousness! This is a most important Initiation for you to embrace. Because in order for the Blue Flame of God's Will to come into the Fullness of its unmitigated Power as the Desire and the Will of God, there must first be the activity of Illumination forged in Purity, desired by the Heart of God, and fulfilled in the Emerald Matrix of the Fires of God's creative All-Seeing Eye.

So, blessed ones, as you establish more of the rituals in your own life, keeping your commitment to the Mighty I AM Presence daily before your altar, joining together in Unity as one heart to call upon the Ascended Masters, the Cosmic Beings, the Elohim to release their Power, their Light, their Momentum for the Earth, and as you prepare your vehicles to be a Crystal Chalice of Purity so that you might draw forth all of the jewels of Light which are the crystallized Divine Attributes, then, blessed ones, you will desire to be in attendance at this Harvest Conference, to drink in the Golden River of Helicon of the Gifts of the Gods and sit in our Presence, my Beloved Virginia and I, as we conduct the Emerald Ray in a constant stream of God Perfection to saturate your vehicles of consciousness so that when you re-emerge into your day-to-day life, you will no longer be the same. You will have changed. You will have taken on more of the Patterns of your Mighty I AM Presence. You will have put into the Flame the impurities that

have plagued you for far too long. And you will have clarity of Vision, Christ Discrimination, and the desire for greater Purity in your life.

Holding to the Patterns of the Emerald Ray, you will find yourself entering into creative endeavors that heretofore you had not even considered were possible for you. And yet now you behold the Open Door, and you step through. This is truly a new way of life, a path of Emerald Ray that you elect to walk upon forever, one that conveys to you the God Power to bring forth all that must be put into wise use for your Victory.

Throughout the ages, there have been only a few times when we, Cyclopea and Virginia, Elohim of the Fifth Ray, have stepped forth so personally to take under our wing unascended initiates on the path to teach and tutor in the ways of the All-Seeing Eye of God, training them to hold to the Patterns of Perfection, to be able to conduct the Emerald Ray into an Ascended Master way of life. This is such a singular occasion, blessed ones.

You will want to set aside as many of those worldly priorities of your life as can be put on hold so that you can fully engage in all we have to bring to you. Together with the other Ascended and Cosmic Beings who will also share with you their Body Consciousness, their Momentum, we will teach you how to prepare your vehicles for this entirely new way of life — one that is patterned after the Perfection of an Ascended Master Way of Life, one that holds to the Reality of your Mighty I AM Presence and allows you to be readied and fit for the Mighty I AM Presence at any time to engage in your life. No longer will you be a 'human being,' but the Divine Being of the Presence of God where you are, walking the steps of Christhood, overshadowed by your Holy Christ Presence, fully engaged in the Momentum of Light that every moment of each day requires.

Then when you do take your last breath upon Earth, as quickly as you exhale, at that very instant you will have moved into the Ascension Current, and your next inbreath will be the Sacred Fire Breath of your Mighty I AM Presence! That vision you can hold as an exercise, a rhythm and pattern, that you can begin to put into action, even now. Every breath is an opportunity to inhale the Mighty I AM Presence and to exhale the creative Power of God. When that has become more than a theoretical exercise, but rather an ever-present Reality to you, you will have prepared your vehicles of consciousness to be the Pillar of Fire of your Mighty I AM Presence!

Life will take you into many avenues of Service. There will be times when you will be required to engage in particular activities that are to teach you

how to conduct certain Currents, Vibrations, and Momentums of the God Qualities. But in all cases, blessed ones, keep in mind that it is the Presence of God that is doing the work, that is performing the creative outpouring through your vehicles of consciousness. It is the Mighty I AM Presence that is touching life and exercising creative Momentum so that when your hand reaches out, it is really the Current of your own Mighty I AM Presence stretching forth its Vibration, its touch, so that the Presence can engage with that part of life.
