# Thoughtform Of the Year 2021

*2021 Thoughtform of the Year:  
The Torch of White Fire!*

**Lord Gautama — December 31, 2020**

Streaming forth the Consciousness from the Secret Love Star, Lord Gautama presented the 2021 Thoughtform of the Year as he received it from Beloved Immaculata. It is a magnificent, blazing

Torch of White Fire Maxin Light originating from the Sun of Even Pressure in the center of the Earth, encircled with the Emerald Ray as a Matrix of Cyclopea's Divine Momentum. This Torch consumes the impurities in the Earth. Cyclopea's encircling Emerald Ray imparts to the Heart Flames of Earth the Edenic Blueprint, enabling a turning of the tide in the New Year to a greater expression of health and well-being, Peace and Harmony, Purity, and the Truth of Cosmic Law®. As the Light shines forth from this Torch of White Fire, it spreads round the Earth, touching all of life and consuming impurities. It brings the healing required for our planet as this Spiritual Light moves within the physical plane. According to Dispensation from the Karmic Board, there will be healing by the Emerald Ray so that all may flourish in the Grand Design of their own Mighty I AM Presence. Gautama encourages you to know the worth of your Identity in God, wear the Mantle of your Christhood, never tire of Initiations, and hold to God Reality. Your Heart Flame is your Truth and your Home!
