Week I:

# LOVE STAR CORNUCOPIA

## ***Gratitude for the One Flame of God*** **Chamuel & Charity — November 22, 2020**

Although there are many trials and tribulations, there is always the Purity and Charge of the Presence of God that can flow forth freely to set aside all that is not in keeping with that Vibration that abides upon the Altar of your Heart. The Flame that you invoke to give back to God is charged with *your* Presence, with the Identity you have graced God's Kingdom with. Therefore, as you strive to put into wise use all you are blessed with, you are able to send your Gratitude to the Most High and establish a greater Momentum of *your* God Reality in the Kingdom of God. This is how the Presence of God expands, and you are able to call forth more of your Mighty I AM Presence to pour forth the Identity of God that is your Presence. And as it flows forth, it carries Love and Gratitude back to your own Mighty I AM Presence for all that you have accomplished. This is why you are encouraged to go within the Holy of Holies of your own Mighty I AM Presence and establish the Identity that rings clear and true throughout your vehicles of consciousness.

Week II:

# SERAPHIC MEDITATION ON THE GREAT, GREAT SILENCE

*Living in the Peace and Harmony of Divine Love*  
**Archeia Aurora — November 29, 2020**

You have the understanding of the Truth of your Identity that allows for God Vision, God Direction, God Will, and God Love to propel you into those areas of life that are in keeping with your Divine Plan. As you take charge of those areas of your life that have not come under the Will of God, you begin to recognize how to move forward to the highest opportunity afforded you. As your Mighty I AM Presence participates in the Allness of God, God Reality becomes the foundation of your life and blesses the atmosphere and all of life round about you. Rejoice in the opportunity to know the Truth of your Identity, to call forth the Light of God, and to be the Servant of God and of the many. The Power of God you have enlisted is great and cannot be diminished as long as you remain one with it.

Week III:

# ROBED IN PURITY: SEAMLESS GARMENT OF THE CHRIST

*We Are Ever Present — Commune with Us!*  
**Omega — December 6, 2020**

Beloved Omega tells us that at no other time in the history of the Earth have They made this commitment to a group of individuals who have come together for a Divine and Holy Purpose, such as the Torch Bearers of The Temple. This Dispensation is to hold fast the Great Work and Foundation that will carry on for thousands of years! The generations to come will need the Record of the Charged Release that will be held in Akasha, to be unspooled for them to participate in. Omega tells us over and over that She is very close to us, that She will be there when our hearts search for Comfort, Peace, Purity and Perfection. She will stream forth the Purity of the Mother Flame so we may know our True Identity as the Presence of God. Omega says She will send forth her Heart Flame of the Pure White Light of the Mother to stir our own Heart Flames and to establish a greater Momentum of Kundalini Fire within our spiritual centers. Hold in your consciousness the Voice and Vibration of Omega and drink in the Love of the Heart of Alpha and Omega all the days of your life.

Week IV:

# GOLDEN RIVERS OF LIVING WATERS! EXULTATE! JUBILATE!

*Establish a Momentum of Joy in Your Life*  
**Archangel Jophiel — December 13, 2020**

Archangel Jophiel sends forth a Charge of Illumination's Flame to assist the students in holding fast to that Flame so the Christ Mind may chart your destiny, taking command of every aspect of your life. The constant flow of the Light of the Mind of God must penetrate through all unreality and negativity, lifting you into the rarefied atmosphere of the Joy of God to establish the Divine Qualities in all of your works. In the Presence of God, you have clarity of Vision, Divine Direction, and the Power of God to ensure you are in the right place at the right time to fulfill the Will of your Presence. Remember to call upon the Legions of Angels given to you to command. By establishing a Citadel of Light where the Angels are welcomed, you have access to the Body Consciousness of God. Call forth the Kingdom of God to assist in resolving circumstances of your life and the world.

Week V:

# ALL HAIL THE UNCONQUERED LIGHT OF LUX INVICTUS®

***Drink in the Light and Let It Carry You Forward***  
**The Nameless One — December 20, 2020**

The Divine Momentum of God within you is waiting to be expressed at every turn. For the Divine Ideal is for every Son and Daughter of God to drink in the Fullness of the Great Central Sun. How will you carry that Fullness forward? Will you engage in all the Will your Presence desires for you? You have the opportunity this night to engage in the Love flowing forth to fill your chalice with Divine Momentum. For on this night, we celebrate the Light of The One, knowing all are a part of the Holy Family. And so we expand that Light to bless, heal, and protect all of the Sons and Daughters of God around the world. For all partake in the Blessings available when you include them in your calls. Your Mighty I AM Presence has the opportunity to accomplish much through you when you listen to the *Still Small Voice* upon your Heart. You really don't know what great works you might accomplish, or what seemingly insignificant works might produce great Momentums of God Good.

Week VI:

# NATIVITAS NOVAS, BETHLEHEM DAYSTAR!

*You Have the Gift of the Holiness of Your Own Christhood*  
**Mother Mary — December 27, 2020**

The more you engage with the Flame upon the Altar of your Heart, the more you realize the Hand of God is guiding you. When seeds of doubt and separation from God begin to encroach, immediately allow the Flame upon your Heart to wash away all unreality that does not support the Truth of your Identity. The closeness of your own Christhood is witness that your Mighty I AM Presence is nearing its Ascension after your long earthly journey. This should be the focus of your attention as you move through your day-to-day life. Every avenue of your life should be sowing the creative endeavor of your own Mighty I AM Presence. These moments when great Momentums of Light are flowing forth are to refine your higher vehicles with the Vibration and Light surrounding you. Invoke and embrace the Light at the beginning of your day, and at night call forth the Love of God to take you aloft to continue your study of Cosmic Law.

Week VII:

# SHAMBALLA & THE NINE LUMINARIES OF THE LOVE STAR CONSTELLATION

*You Can Count on the Foundation of the Brotherhood of Light*  
Sanat Kumara — January 3, 2021

To those students who hold fast to their Identity in God, the Ascended Masters give their Light and Momentum to assist them to develop in their own conscious awareness an envelope of Light. But should you forsake the Path, you would be walking away from all that has been prepared for you and freely given. This Light provides the impetus of the Mind of God to guide your day. When an Ascended or Cosmic Being focuses upon your lifestream, an assessment is made. Where is *your* consciousness focused? Are you in control of your emotional body, distilling Peace and Harmony about you? The Ascended Masters recognize your state of affairs and know immediately the requirement of the hour. So a Dispensation is requested, and when granted, the Foundation of the *Entire Spirit of the Brotherhood of Light* stands behind it. The Allness of God stands behind the Divine Outpouring taking place on your behalf.

# GREAT SABBATH JUBILEE

*Draw Forth the Divine Providence of Your Own  
Mighty I AM Presence*

**Ouranos and The Great Silent Watcher — January 10, 2021**

**Ouranos:** When you are in full communion with the Flame of Christ Consciousness, you do not wonder about the direction of your life. For the Mind of God draws forth the Divine Direction of your own Mighty I AM Presence, that Divine Providence meant solely for your lifestream. It is not withheld until you attain enlightenment, rather, in this very moment you are held in the Divine Providence for your lifestream. The opportunity is yours to draw forth and fulfill it.

**Great Silent Watcher:** The Thoughtform of the Year is not something you need strive to comprehend. It is described for you to hold as a Vision and a Divine Intent to lend your energy to, along with the Ascended Masters, who pour their Light and Momentum into it. The Core of the Torch of White Light comes forth from the Sun-Of-Even-Pressure in the Center of the Earth and acts as a great magnet to draw all impurities from the Earth to be consumed. At the same time, the Emerald Matrix is throwing impurities into the Maxin Flame to be consumed. This is the Divine Service that Providence brings to you.
