Week I:

LOVE STAR CORNUCOPIA

GIVING THANKS FOR THE LOVING CARE AND
MANIFEST ABUNDANCE OF THE MIGHTY I AM PRESENCE

Gratitude for Love's Abundance

Discourse — November 21, 2021

The first stage of entering into the Seven Sacred Sabbath Weeks is raising our Hearts in Gratitude to the Mighty I AM Presence and the God of Very Gods, withdrawing our attention from outer worldly concerns. There are many Ascended and Cosmic Beings who assist in transferring the Light and Momentum of the Secret Love Star, and when you are attuned to the Action taking place, you are there within the Love Star Retreat. Your purpose is to live an Ascended Master Way of Life even while attending to your worldly affairs. In addition to Gratitude, acknowledgement of the Mighty I AM Presence as the doer allows all of the Cornucopia of Good to flow forth as Light. Establishing this flow of direct receiving and giving with your Mighty I AM Presence in an unbroken Constancy has been the Divine Plan from the beginning.

*Establishing A Consciousness that
Desires God Above All Else*
Chamuel & Charity — November 21, 2021

Chamuel and Charity inaugurate you into the cycle of Christmastide during which you will experience initiations necessary for the Light of God to come forth and bless all mankind. God Gratitude enables God Love to come forth and your Love for God should be the premiere love of your life. When you are one with the Heart of God, all else comes into manifestation in your life. For when you are in a figure-eight flow with that Heart, only goodness can return to you. That Love of the Heart will block all negative energy directed toward you, for you have established a momentum that cannot be assaulted. All of the Good God planned for you is so magnificent that one incarnation was not enough to reach the attainment necessary to experience it all. And so Chamuel and Charity come in Service to render their Momentum and Consciousness to elevate your consciousness to receive the Charge of the Light.

Week II:

SERAPHIC MEDITATION ON THE GREAT, GREAT SILENCE

ENTERING INTO THE ALL-ENCOMPASSING VASTNESS AND
STILL SILENCE OF THE SACRED, AUGUST PRESENCE

*Expand Your Divine Momentum by
Entering the Great Silence*

Archeia Aurora — November 28, 2021

It is important to have the Truth of your Identity as the Flame and Presence of God consciously activated within so you are free to participate in the Holiness of God. To draw forth the Light of God, you need to be able to distinguish it from human consciousness and protect that Light. When you have mastered the Rays of God Consciousness and can manifest them as the God Qualities, you are ready to enter into greater Service to God in life. You incarnated to establish God Good as a way of life and this requires you to enter into the Great Silence, be charged with the Wholeness of God, and become the “Divine You” filled with Peace as you move into action to fulfill the Will of God. Thus by internalizing the Truth of your Identity, you are able to take Authority in your life by the Presence of God that you are.

Week III:

ROBED IN PURITY: SEAMLESS GARMENT OF THE CHRIST

PUTTING ON THE MANTLE OF THE WHITE LIGHT CHRIST
RIGHTEOUSNESS OF YOUR OWN CHRIST PRESENCE

*Receive and Meditate upon the Light of Purity
from Omega's Heart*

Omega — December 5, 2021

You have entered into the cycle of preparing for more of the Momentum of your Christhood to come forth. We all have areas of life that require a greater saturation of Light. We tend to ignore these very areas. Attention to those areas is necessary for them to go into the Flame and be refined by the Light of God. Holding fast to Divine Purity enables you to be the Presence of God where you are. By operating within the Fullness of the Christ Light you have the co-measurement of what does not rise to that level. The Purity Omega brings resonates through your consciousness and being, for it carries an Intonation and Vibration that cannot be mistaken for any lesser momentum. You have the Power within to be the Commanding Presence of the Christ, to draw forth the Light Omega has anchored, and to charge your consciousness with the Light of the Mother Flame.

Week IV:

GOLDEN RIVERS OF LIVING WATERS! EXULTATE! JUBILATE!

CELEBRATING THE BLISS THAT ENERGIZES, THE JOY AND
GLADNESS THAT FUELS THE MOTOR OF LIFE

Bless All Mankind with the Light of Golden Helicon
Archangel Jophiel — December 12, 2021

Embracing your Mighty I AM Presence requires excitement and anticipation of the newness of life your Presence wants to impart to you and enables you to move successfully through all of your initiations. The more you are able to internalize the Light, Consciousness, and Momentum of God Reality, the more you become filled with the Substance of your Presence and ultimately, The One. Seeing this, the Angels rush to assist your acceleration in the Light. Through the stillness of the Great Silence, your Heart Flame resonates with the Will of God to be fulfilled. This brings a Joy that cannot be diminished, for the *Light of God that Never Fails* affords you a Strength and Fearlessness despite outer appearances and the certitude that the Keynote Identity of your Mighty I AM Presence *can* and *will* be Victorious over all things!

Week V:

ALL HAIL THE UNCONQUERED LIGHT OF LUX INVICTUS®

SALUTING, WELCOMING THE LIGHT OF GOD THAT NEVER
FAILS. INVOKING THE LIGHT OF TEN THOUSAND SUNS

*Your Mountaintop Experience with
My Flame This Night*

The Nameless One — December 19, 2021

Many times in order for you to strive toward acquiring a greater attainment, it requires your world be shaken up so you recognize areas you have ignored. When there is a lack of detail consciousness in small areas of your life that build into a momentum, there can be a loss of opportunity to garner greater Momentums your Presence desires for you. Calling upon Ascended and Cosmic Beings enables the clearance of the debris of human thought and feeling that blocks the Christ Light and the Mind of God. Like Moses, you can have your own mountaintop experience with the Flame of the Nameless One, holding your attention upon that Flame and the pouring forth of *Lux Invictus*. The Light of the Secret Love Star that encompasses the Consciousness of the Holy Kumaras, Gautama, and the Nameless One is filling the Sons and Daughters of God upon the Earth and overwhelming all lesser vibrations. Consciously and actively embracing that Light assists in ushering in the Golden Age, which is the Great Work of the Ages you are about.

Week VI:

NATIVITAS NOVAS, BETHLEHEM DAYSTAR!

ACKNOWLEDGING THE DIVINE INCARNATION OF THE
GODHEAD CHARIOTEER^o, GUARDED BY THE HOLY FAMILY

You Must Be the Guardian of Your Heart Flame
Discourse — December 26, 2021

Every Electronic Body is forever exhibiting individual patterns of expression conceived within the Heart and Mind of The Great I AM. The Bethlehem DayStar represents the shining Light of the Electronic Body of the Sons and Daughters of God. You are devoting your lives to revering, protecting, and igniting Heart Flames across the Earth. This is possible because the Vision of God has individualized as the Mighty I AM Presence. Thus, as did Mother Mary, you are holding the Pattern of the Perfection of the Electronic Body, visualizing that Divine Spark from within the lower bodies all the way to the Mighty I AM Presence and calling upon that Presence to come forth and take charge of the outer self individually and collectively throughout the Earth. The only face that should be beheld is the Face of each one's Mighty I AM Presence.

***Let Your Consciousness Carry the Christ Command:
I AM THAT I AM
Archangel Zadkiel — December 26, 2021***

You are to make room for the Christ Light by establishing the Vibration that allows the Fullness of God to inhabit your vehicles of consciousness and perform the tasks your Presence desires. Whether before your altar or involved in your daily activities and responsibilities, you can allow your Christ Presence to convey the Touch of God upon the screen of life. That builds the coil of Light to carry you into the Ascension. As you call forth the Violet Flame and establish Divine Service, you are healing the ill, bringing Light to those in darkness, and establishing Freedom for those in bondage. You know not how many lifestreams will benefit from the Violet Flame coursing through the astral and psychic substance. Whether you are one or many, the Hierarchy of Light stand ready to respond to your calls to lift the burden off of mankind and elemental life and free the very Essence of God within the Earth.

Week VII:

SHAMBALLA & THE NINE LUMINARIES OF THE LOVE STAR CONSTELLATION

**BLAZING FORTH THE WILL OF GOD, COMMUNION WITH THE
ENTIRE SPIRIT OF THE BROTHERHOOD OF LIGHT**

***The Consciousness of the Will of God as Divine Dominion*
Discourse — January 2, 2022**

The first few Root Races remained tethered to the Electronic Body of their Mighty I AM Presence. But subsequent Root Races consciously rebelled against the rule the Mighty I AM Presence was to have over the four lower bodies. To reestablish that God is to lead the way, Dispensations were granted in previous Golden Ages for a high Initiate to lead the populace in Divine Governance and God Dominion. In an ideal state such God Dominion is the Will of God descending from The One and The Great I AM through the Realms of Consciousness to this earth plane and manifesting as the Kingdom of God. As the Son or Daughter of God, you are the Crown Prince and Princess who are to inherit that Kingdom. This is your opportunity to freely unite your will with the Will of your Mighty I AM Presence and the Ascended Masters, which is synonymous with the Will of God.

***Re-Become the Consciousness and Activity of the Will of God*
El Morya — January 2, 2022**

The Will of God within the Mighty I AM Presence begins with The One and comes forth with all the Momentums and God

Consciousness of Perfection and Purity of millenniums of cycles. Your own God Presence knows intimately the desiring of The One and that Desire is written upon your Heart. When your activities and intentions are not in alignment with that Desire, you squander the precious energy intended not only for you but for the Earth as well. There must be the constant conviction that the Will of God will come forth at the hour determined by the Presence. Imagine living under the canopy of the I AM Presence, ready to respond on the instant to the Desire of the Mighty I AM upon your Heart Flame. Knowing the Truth of your Identity as that Mighty I AM Presence, you can now take command and gain your mastery.

***Your Communion with the Luminaries of the
Secret Love Star This Week***
Sanat Kumara — January 2, 2022

All of the Luminaries of the Secret Love Star stand in full array to welcome you in consciousness into the Fullness of Communion with Them. They shine forth the Light as a Beacon of The One you can hold fast to and draw upon for all the Necessities of Life and Momentums of Purity, God Love, and God Dominion that must flourish through your Heart Flame. The Threefold Flame of your Heart is in constant motion and is to encompass all of your bodies into a whirling action of God Good. You can then draw upon Threefold Actions your Presence desires to play upon through you. And you discover a Newness of Life, of Joy and excitement, for only by the Hand of God could such Activity come forth. As this becomes active in your life, you have access to the expanded Consciousness of the Mind of God and are able eventually to raise your vibration into your Mighty I AM Presence.

GREAT SABBATH JUBILEE

THROW WIDE YOUR HELICON! REJOICING IN THE OUTPOURING
OF DIVINE PROVIDENCE OF THE GREAT I AM

Your Victory Is an Eternal Record within The Great I AM **Discourse — January 9, 2022**

The Old Testament tradition of the seven-year cycle of seven Sabbaths and then the Sabbath Jubilee for the 50th year was celebrated and held up as an example. All of the Dispensations prescribed during the Sabbath Jubilee year had to do with forgiveness and restoration of one's rightful inheritance. For Ascended Master students, this entails freeing yourself from the attractions of the outer world, focusing your attention upon your Mighty I AM Presence, and thus inheriting all of the gifts your Presence would bestow upon you in preparation for your Ascension. This Victory is already recorded within The Great I AM and has been since before your incarnation. It can never be erased as it is an established moment within your own Mighty I AM Presence. It is a record of great Joy for you to meditate upon and enter into the Will and Providential Loving of The Great I AM.

You Are a Part of the Whole of My Family
Omega — January 9, 2022

You are not merely surviving life in a foreign land. You are becoming consciously aware of the Patterns of God available for you to draw into your life, a life filled with the Divine Momentum of the Presence of God weaving a Garment of Light and Momentum entrusted to you by the very Flame of God. With the coming of Omega, the Kundalini Fire begins to accelerate, drawing you into the Will of God. Your Heart Flame is melding with the Heart Flame of Omega, there for you to call upon to accelerate you into your Victory. Your commitment to your Mighty I AM Presence draws you into a higher Vibration that will facilitate your Ascension into the Light. With the Attainment of Christ Consciousness, human consciousness is banished and the Qualities of God are released into your keeping, expanding and accelerating the Light of God through you into the Heart of The One. That is the Great Jubilee!
