Week I:

LOVE STAR CORNUCOPIA

GIVING THANKS FOR THE LOVING CARE AND
MANIFEST ABUNDANCE OF THE MIGHTY I AM PRESENCE

*We Are the Greatest Advocates for the Flame of Love
to Assist You*

Chamuel and Charity — November 20, 2022

When Chamuel and Charity are in your midst, a conduit of the Fire of God's Heart is established that allows you to touch the Heart of the One God. You understand how much the Presence of God pours forth for you individually and you cherish your Communion with your Presence. You realize it is by loving God, desiring God, making God the priority of your life, and expressing your Gratitude that the Allness of God's Love becomes available to you. When God Love, Illumination, and Power are tempered within you, the White Fire of Purity comes forth. The Angels are ever in your midst, providing assistance on whichever Ray of God Consciousness you are to establish so the Presence of God can abide where you are. Be conscious of what is transpiring within your vehicles and call to the Archangels and Archeiai to send their Angels to assist you.

Week II:

SERAPHIC MEDITATION ON THE GREAT, GREAT SILENCE

ENTERING INTO THE ALL-ENCOMPASSING VASTNESS AND
STILL SILENCE OF THE SACRED, AUGUST PRESENCE

Come into the Fullness of Your Mastery
Archeiai Aurora — November 27, 2022

The Angels step forth from the Great Silence at the behest of the Archangels and Archeiai to surround you so you can absorb into your consciousness the Fabric of the God Identity that you are as the Mighty I AM Presence. The Angels are there to assist you. So if you struggle with guilt or are unable to recognize the goodness within yourself, let the Angels show you how you are already exhibiting Qualities of your Presence and expressing the Will of God. The Sacredness and Activity of the Allness of God pours forth to all who are *willing* to receive it. As many Sons and Daughters of God realize the Presence of God in their life, there is an expansion of God upon the Earth that is so needed. You are a part of the Holy Family, for you came forth bearing the Flame of your Mighty I AM Presence which is fully capable of filling your countenance and all you hold your attention upon. Mark how your consciousness has changed over these eight weeks as you accelerate into a greater Momentum of the Presence of God that carries you into the Great Silence.

Week III:

ROBED IN PURITY: SEAMLESS GARMENT OF THE CHRIST

PUTTING ON THE MANTLE OF THE WHITE LIGHT CHRIST
RIGHTEOUSNESS OF YOUR OWN CHRIST PRESENCE

The Presence of God Is in the Earth
Archangel Gabriel — December 4, 2022

When Purity is present, Christ Consciousness can flow freely from the Heart of the Presence. Within the Realm of Akasha is all the God Good you could possibly dream to bring forth creatively in the highest Vibration of your Causal Body Presence. When you surround your vehicles of consciousness with the Light of your Presence, you recognize how glorious is the Opportunity of Life afforded you to access the Flame of Purity upon your Heart and make wise decisions. When you strive with all your energy to don that Garment of Light, it becomes your Reality, and you are Home in the Light. But you must continue to accelerate and elevate your consciousness into that Reality as your Presence reveals to you daily, moment by moment, how your life is to be lived. The Angels assist you at every turn, reminding you where to focus your attention. The Archangels hold the balance for you, lifetime after lifetime, until you are able to stand in your own Light and fulfill your Fiery Destiny.

Week IV:

GOLDEN RIVERS OF LIVING WATERS! EXULTATE! JUBILATE!

CELEBRATING THE BLISS THAT ENERGIZES, THE JOY AND
GLADNESS THAT FUELS THE MOTOR OF LIFE

Commune with the Angels for Divine Direction
Archangel Jophiel — December 11, 2022

Pause to consider if your consciousness abides daily in the Divine Joy of God to fulfill God Good? If you are able to keep the Purity of the Christ Light shining forth? If the example of your life is one you would want your children to follow? This is your opportunity to bring forth Christ Discernment. There is a vast difference between the overshadowing of your Holy Christ Presence and the overshadowing acceleration of own your Mighty I AM Presence. That acceleration will elevate your Vibration and allow you to anchor within your consciousness the Keynote Identity of God Presence that you may then re-enter in your devotions. When the Presence of God charges forth its own Keynote Identity within your vehicles, there comes forth an ever-new expression of Life that touches all about you. Then the communion you are able to experience with the Angelic Hosts and all the Hosts of Heaven is limited only by your conscious willingness to accept that communion.

Week V:

ALL HAIL THE UNCONQUERED LIGHT OF LUX INVICTUS®

SALUTING, WELCOMING THE LIGHT OF GOD THAT NEVER
FAILS. INVOKING THE LIGHT OF TEN THOUSAND SUNS

The Light of Lux Invictus Is with You Always
Sanatka — December 18, 2022

The Holy Kumaras come forth during Lux Invictus® to give you a greater understanding of the Momentum of Light serving your lifestream which you can call upon and actively participate with to establish greater Momentums of God Good. The Momentum Sanatka brings allows your Mighty I AM Presence to directly speak to you of the areas of life you are to take command of and have the Mind and Power of God to bring forth. This night we celebrate what your own Mighty I AM Presence has accomplished. For your Presence has established within your Heart Flame a desire for God that is fueled by the Lux Invictus Light, which is the Light you follow Home to your Ascension and beyond, into Cosmic Service. There is a purpose for life that goes beyond what your outer consciousness could possibly dream. But you must have the dream of your Presence galvanized within you to fulfill all your Presence desires, even in the minute details of your day-to-day life. You are here to actively engage and take full command of life.

Week VI:

NATIVITAS NOVAS, BETHLEHEM DAYSTAR!

ACKNOWLEDGING THE DIVINE INCARNATION OF THE
GODHEAD CHARIOTEER^D, GUARDED BY THE HOLY FAMILY

This Is Your Divine Family of Light
Jesus — December 25, 2022

When you begin to understand the Light of God that streams forth for your benefit daily, you prepare your Chalice to not miss one Momentum of the Mind of God or Desire of the Heart of God that would establish a Pattern of God Reality in your life. You have all you require to transmute patterns and habits of old that do not rise to the Consciousness of the Christ. Each lifetime is a new opportunity to acquire all the Presence desires for you and to expand the Kingdom of God where you are. Invoking the Light of God dissolves layers of maya and illusion, allowing you to adopt a higher consciousness and Way of Life that was always upon the Altar of your Heart. The awakening of the Christ Light within you establishes the Truth of your Identity, allowing a figure-eight flow daily, hourly, moment by moment with your God Presence. This is the only way to truly know Peace within yourself, your country, the world and anchor the Light of God.

Week VII:

SHAMBALLA & THE NINE LUMINARIES OF THE LOVE STAR CONSTELLATION

BLAZING FORTH THE WILL OF GOD, COMMUNION WITH THE
ENTIRE SPIRIT OF THE BROTHERHOOD OF LIGHT

There Is No Limit to What You Can Achieve **The Snow King — January 1, 2023**

As you accelerate into a greater consciousness of the Heart of God, you realize there is no limit to what you can achieve, and you begin to consider Initiations that might be within the realms of possibility for you as you enter more and more into the Allness of The One. In time, your Presence will want you to draw upon Momentums within your Causal Body Presence to bring forth certain precipitations and manifestations. And you will be filled with Gratitude to find available to you within that Allness of God everything you need to accomplish every task, for the Heart of God knows no bounds when it is for Divine Purpose. Drawing upon Patterns of God Reality as you move through these earth planes glorifies God and is the foundation of your Mastery.

GREAT SABBATH JUBILEE

THROW WIDE YOUR HELICON! REJOICING IN THE OUTPOURING
OF DIVINE PROVIDENCE OF THE GREAT I AM

Build a Foundation Anchored in the Light of God
Elohim Apollo — January 8, 2023

The Radiance of Light within your crown must be so filled with Divine Direction that you absolutely know what you are to bring forth. This includes living an Ascended Master Way of Life, attaining your Christhood, and establishing all that is registered upon the Threefold Flame of your Heart. As you embrace your own individual Divine Providence, any sense of limitation or struggle will vanish, for it does not exist within the Mind of God. And as your consciousness is lifted into your own Divine Reality of God, everything you are to bring forth will possess the required Charge of Light and Momentum to be placed upon the Altar of the Most High. Then you know you are fulfilling your Fiery Destiny as the Christ. But you must be on guard and hold fast to what you have established, including your experiences, for the Flame upon your Heart will always resonate the Truth of your Identity in your Mighty I AM Presence.

*Dispensation of Momentum of the Light of God
from the Archangels and Archeiai*

Maha Archangel Purusha — January 8, 2023

The Maha Archangel Purusha has called forth the Archangels and Archeiai and their Legions to seal the Earth and all thereon in the Fullness of God Light until the Victory of the Golden Age. Thus, attending Angels will be assisting lifestreams in the initiations and cycles they are to fulfill. And as each new Momentum of a God Quality or Virtue of the Christ is established, a new band of Angels will come forth to assist in the building of a greater Momentum of God Consciousness. In this manner, each Ray of God Consciousness will be established upon the Earth. Therefore, keep this Dispensation in the forefront of your consciousness. As needed, Purusha or one of the Archangels will come forth to discuss the work they are establishing on a particular Momentum. This is how you and the Archangels work together to bring a higher Vibration and Momentum to the Earth.
