Week I:

LOVE STAR CORNUCOPIA

GIVING THANKS FOR THE LOVING CARE AND
MANIFEST ABUNDANCE OF THE MIGHTY I AM PRESENCE

Rejoicing in the Consciousness of The Great I AM **Discourse — November 19, 2023**

It is one thing to have an intellectual understanding of the Teaching and quite another to have the Presence and Consciousness of the Godhead pulsating and electrifying your whole being. Within the Godhead is Absolute God Consciousness or the Supra-knowing of God Perfection. There is a Will that God Perfection and God Good permeate all of life in the total Givingness of all that The Great I AM is. Since the spark of the Threefold Flame upon your Heart is a focus of The Great I AM, when your calls emanate from within the Sanctity of that Threefold Flame, The Great I AM receives it and there is communion between your Heart Flame and The Great I AM. Awake or asleep, every nuance experienced within your Heart Flame is registered upon the Consciousness of The Great I AM, creating a reciprocal flow between the two. The Great I AM knows what is transpiring within the Individual Identity of Itself and is the most powerful leverage to address any situation.

Archangel Chamuel – Return to God What Belongs to God
November 19, 2023

Perhaps you have been moving through life unaware of the Blessings you receive from your Mighty I AM Presence and the Angelic Kingdom. Your willingness to acknowledge and receive the Light of God raises your vibration and momentum of Godliness. Surrendering to the Love of God allows the Charge of Light to raise you above the surrounding atmosphere, and you become aware of the Momentums your Presence imparts to guide and illumine you. Putting your attention upon God allows Opportunities and Dispensations to come forth to assist you in swiftly fulfilling your Fiery Destiny. Everything you need to overcome any challenge or sense of limitation is provided so you have the Christ Discernment to fulfill the requirement of the hour. Dispense with human consciousness and operate from within the Vibration of the Light of the Christ. Every day is a new Opportunity to internalize Cosmic Law and become the Law of God where you are.

Week II:

SERAPHIC MEDITATION ON THE GREAT, GREAT SILENCE

ENTERING INTO THE ALL-ENCOMPASSING VASTNESS AND
STILL SILENCE OF THE SACRED, AUGUST PRESENCE

*Archeia Aurora — Enter Into the Practice of the
Great Silence*

November 26, 2023

In order to soar into the Heart of God, you must consciously and willingly, emotionally and physically, enter into your devotions and meditations. Then while you go about the necessities of your life, you retain the Peace and Harmony, the God Dominion to attend to those areas as your Holy Christ Presence imparts to you the need of the hour. It is because of your communion with your Presence in the Great Silence that you are able to fulfill the necessities of your life and give Comfort and Service to God in Life. The Constancy of the Angelic Kingdom in assisting you is a great Blessing because they are a bridge to your consciousness, elevating your vibration to receive the full Momentum of God. As you practice pouring forth Divine Love, you are establishing a way of life that allows your Christhood to be ever present and constant.

Week III:

ROBED IN PURITY: SEAMLESS GARMENT OF THE CHRIST

PUTTING ON THE MANTLE OF THE WHITE LIGHT CHRIST
RIGHTEOUSNESS OF YOUR OWN CHRIST PRESENCE

Omega — Take Charge of Your Life by the Light of God
December 3, 2023

The greater your desire to commune with God, the greater the return current of the Light and Body Consciousness of your Presence and the Entire Spirit of the Brotherhood of Light. You may have lost your way for a time, but it need not take many incarnations of travail and anguish to again have the Flame of God awakened upon your heart and have God Reality again guiding your life. Your past should not limit your Communion with God or in achieving the highest good your Presence desires for you, for your Presence has charted the course that would enable you to bring into manifestation all the Service your Presence desires you to render. When you elect to make room for the Presence of God in your life, the Power of God is at work within you and you know all is well.

Week IV:

GOLDEN RIVERS OF LIVING WATERS! EXULTATE! JUBILATE!

CELEBRATING THE BLISS THAT ENERGIZES, THE JOY AND
GLADNESS THAT FUELS THE MOTOR OF LIFE

Discourse – The Joy of Proving Cosmic Law to Yourself
December 10, 2023

Jesus said that when you prove Cosmic Law in your life, “You become the Law of Life yourself.” Doing this involves no longer identifying yourself with your four lower bodies, but with the Perfection of your Mighty I AM Presence, allowing the Charge from your Presence to saturate and purify your lower vehicles and illumine your consciousness, filling you with Ascended Masters Happiness. The Source of that Happiness is the knowledge that The Great I AM is energetically engaged in advancing the highest Good for all of Life. Realizing this, you turn your attention away from the distortions and changeability of this world and gaze into the radiating Consciousness of The Great I AM beaming forth the Joy of Life that encompasses not only you, but every Heart Flame. And you rejoice that you have your part to play in this glorious vision of Life in the Heart of The Great I AM.

Archangel Jophiel – Receive the Blessings of the Golden Helicon River

December 10, 2023

The Archangels send forth their Angels to assist the Sons and Daughters of God in establishing an Ascended Master Way of Life™. Those who have a chalice prepared will feel the Charge of their Momentum, which arcs back to the Archangel who sent them forth and to The One. For the Angels always convey pure God Consciousness. Perhaps a dream you had of an Angel being at your side was not a dream at all, but an Angel tending to you while you slept. Expressions of love and gratitude to the Angels go directly to the Heart of The One and enhance your communion with God. But it is ultimately your own will that determines the consciousness you choose to embody. Remember the Truth of your Identity and the opportunities afforded you, for the Blessings are many. Rehearse within your outer vehicles the Charge of Light you receive to more swiftly become the Christ and be God Victorious.

Week V:

ALL HAIL THE UNCONQUERED LIGHT OF LUX INVICTUS

SALUTING, WELCOMING THE LIGHT OF GOD THAT NEVER
FAILS. INVOKING THE LIGHT OF TEN THOUSAND SUNS

Discourse — The Origin of the Lux Invictus® Holy Day
December 17, 2023

Lux Invictus is the first Temple of The Presence Holy Day initiated by the Nameless One. It commemorates the Moment in Eternity when the Consciousness of The Great I AM bursts forth as unconquered and unconquerable Light that never fails. It is a moment you knew prior to taking incarnation and can invite into your world, for the invincible Light of Lux Invictus is there within your own God Flame, forever pouring forth. It is there upon the Altar of your Heart and will issue forth at your call. Desiring to protect those who had been faithful in a prior Golden Age, Saint Germain condensed the Consciousness of each one's Mighty I AM Presence into a form of Liquid Light which, when consumed, etched an indelible record within the memory body of a Moment of Oneness with their own Mighty I AM Presence — a moment of Bliss never to be forgotten that assisted in securing their Path to the Ascension. It is this ritual we reenact in the *Lux Invictus* Holy Day.

***Sa Ananda Kumara — Constancy is Key to Fulfilling
your Christhood***
December 17, 2023

On the celebration of the Holy Day, Lux Invictus[®], Sa Ananda Kumara releases a Momentum of Illumination's Ray so you may always hold to the Divine Mind of God. Throughout the ages, the Holy Kumaras have ensured a steady flow of the Charge of God Reality amidst the veil of mass consciousness to help each one attune to the Mind of God. You are encouraged to maintain Purity, communion with your God Presence, and to wear the Garment of Christ Light to bring forth the many Attributes your Presence desires. Illumination's Flame is essential, enabling Divine Direction and Discernment. It is needed to make righteous choices, discern God's Will, and reveal the Truth of Divine Identity that abides upon the Altar of your Heart. Through constant attunement to the Momentum and Vibration of God, you prepare for the Christ to abide. Sa Ananda affirms the certainty of the Ascension for those steadfast to these Divine Principles. Hold onto the Charge of Lux Invictus year-round, bestowed by Sa Ananda and the Luminaries of the Secret Love Star: this Charge of Light prepares you for the Garment of your Christhood and for your Victory!

Week VI:

NATIVITAS NOVAS, BETHLEHEM DAYSTAR!

ACKNOWLEDGING THE DIVINE INCARNATION OF THE
GODHEAD CHARIOTEER®, GUARDED BY THE HOLY FAMILY

*Lanello — Prepare Your Chalice to Receive Your
Holy Christ Presence*
December 24, 2023

On this joyous Christmas Eve, Lanello embraces you in his Love and asks if you are prepared to receive the Light of your own Holy Christ Presence. He instructs that on this holy night, when you give honor and glory to God for sending Jesus Christ, you are also giving your Heart's commitment to your own Mighty I AM Presence and charting your own Destiny to manifest the Christ Light that you, too, are intended to attain in this life and in any future lives before your Ascension. Understanding this grants you greater resolve to hold the Fire of God! As Jesus taught the Truth of your God Identity as the Christ, Lanello instructs you to put your attention upon Jesus' words — for his words are the Teaching that enables you to manifest your own Christhood and fulfill your Presence's Fiery Destiny! Throughout this Christmastide, remember the Truth of who you are each day. Let the story of the Christ, your story, be held daily within your Heart. And remember that the Presence of God is always right where you are! Let everything go into the Violet Flame! Prepare for your Christhood and look to your Ascension in the Light!

Week VII:

SHAMBALLA & THE NINE LUMINARIES OF THE LOVE STAR CONSTELLATION

BLAZING FORTH THE WILL OF GOD, COMMUNION WITH THE
ENTIRE SPIRIT OF THE BROTHERHOOD OF LIGHT

*The Great God Flame Knows Itself as an Individualization of
The Great I AM*

Discourse — December 31, 2023

Gain an illumined understanding of your Great God Flame as an Individualization of The Great I AM. As you rise into the Great God Flame, you will enter into that Consciousness and will realize the profound Power that it has for your life and how close at hand is The Great I AM. The Great I AM is the God Consciousness of The One and intimately associated with the Individual Great God Flame, the parent of the Twin Ray Mighty I AM Presences. This is a Consciousness that is always cognizing I AM. There is an established flow between The Great I AM and the Individual Great God Flame. Thousands of years ago, the Beloved Nameless One bestowed a great Mission on Moses to liberate the Children of Israel. At that time the Nameless One released the Name of God, I AM THAT I AM. This was the Great Commission, and this Name was

to be used to invoke the I AM Presence for all generations to come.
***The Nameless One – The Nine Luminaries Hold the Balance
for Your Return Home***
December 31, 2023

The Nameless One anchors the Ascension Flame that is the Great Magnet drawing you forth to your Destiny to return Home in the Light. With the streaming forth of the God Qualities of the Nine Luminaries that hold the balance for you, you begin to realize the great support that you have that never diminishes. Coming Home in the Light requires the fulfillment of all the Desires of your Presence. The more you hold fast to the higher levels of God Consciousness, the more Victorious you will be. When the Great Magnet of the Flame that burns upon the Altar of the Nameless One begins to draw your Heart Flame into a great Momentum of God Purity, you begin to lead a life that is no longer the same as it was before. Illusion fades away. Now you are being called to give life to the Consciousness of your own God Presence transferred to you by the Mind of God. You have the magnification of all the resources you require to be a servant of your own God Presence and to expand God all about you as you commune with

your Presence and the Nine Luminaries of the Secret Love Star.

You will be able to satisfy the Law of the Christ Command and draw upon the Octaves of Light for every good and perfect Momentum to meet the need of the hour.
