VICTORIOUS ALCHEMIES OF THE EMERALD RAY

Freedom Conclave 2022

The Action of the All-Seeing Eye of God
Discourse — June 29, 2022

The Activity of Cosmic Law as the Green Ray is the Action centered within the All-Seeing Eye of God. This Activity is taking place in the Ascended Master Realm which is also at the level of your own Mighty I AM Presence. This God Reality is close to your outer world and has infinite practical applications for you and your life. The overshadowing of your outer vehicles by your Mighty I AM Presence steps down the Green Ray Action and the focus of the Mind of God through the All-Seeing Eye. This is the therapy needed to meet returning karma and hold the balance for the world. When something in the outer world is looming, your Divine Directive Intelligence calls for the fiery Purity and superior Power and intensity of the Presence, and with the All-Seeing eye upon it, it can annihilate the appearance of imperfection. The spiritual eye focuses the intrinsic God Consciousness of Perfection with two Divine Ideals: God Reality and Divine Truth. The driving Authority is the Conscious Cosmic Christ Command, which communicates Individual Intelligence with Universal Intelligence, bringing Divine Resolutions into the world of form. Along with your continued calls, Faith and the Five Christ Virtues are the means that allow your Alchemies to come to pass for your Victorious overcoming.

I Proffer the Emerald Ray to Expand your Consciousness
Elohim Cyclopea — June 29, 2022

Elohim Cyclopea comes to inaugurate this Conference so that you might know from the beginning that the Emerald Ray is round about you, establishing the Identity of your own Mighty I AM Presence in the Keynote Cyclopea has charged specifically for you. This is so you will recognize the Patterns of Perfection — anchoring the Emerald Ray in the fullness of your creativity in all areas and details of your life. It is there so you will become aware of the Divine Outpouring of Providence that is to be brought into manifestation through your lifestream. Are you prepared to receive the Presence of God where you are? The Mind of God and the streaming Consciousness of Purity and Divine Love are available to you. You need only apply the Law. Let the Light of God shine forth. Let the Joy and Freedom pouring forth from your Heart Flame accelerate your consciousness and keep you in the Fullness of all that your Presence desires for you. Keep in the forefront of your consciousness what Cyclopea has proffered to you as the Emerald Ray and the Opportunity, here and now, to seize that Ray so you have the Patterns of Perfection always present in your life.

Constructive Use Renews Your Crystal Cord Energy
Discourse — June 30, 2022

The moment by moment flow of the Selfless Giving of the Mighty I AM Presence, through the ongoing flow of the Crystal Cord of Life, animates your lifestream here below. The gift of the Crystal Cord is the Outpouring of the Divine Identity of your God Presence in a most concentrated, condensed form. Your Presence is giving of Itself in the Third Secret Ray action of Sacrifice, entrusting that Outpouring into the keeping of your outer self where it will be used either in ignorance or in Illumination. As you conserve that Energy and it is enabled to find lodging within your vehicles, you

will have the Consciousness of your God Presence more and more suffusing its radiant glow within your four lower bodies. When Crystal Cord Energy is selflessly given forth in constructive ways, the principle of Undiminished Giving applies, and a wider opening into the Heart of your Presence means the Light is constantly renewed. Thanks to the Outpouring of your Crystal Cord Energy, you have the wherewithal to accomplish all you need in the world of form — pressing through those High Ideals to help forge the Dawning Golden Age.

The Opportunities Are Great for Those Who Call upon God
Lady Master Leto — June 30, 2022

Now that you have had the Charge of Ascended Master Consciousness come upon you, you have the opportunity to awaken your spiritual centers, thereby strengthening the core of your being in the Fire of God! When you make yourself available to God, when the Vibration of your countenance is in Harmony, in Peace, in Love, when there is a Clarity of consciousness and the Charge of the Will of God is impressing the Power of God upon your emotional body, you will be lifted in Vibration into the Mind of God. When all things are in Divine Order in your life, when the highest priority is your Mighty I AM Presence, and you maintain the disciplines you have learned from this Altar, you have the opportunity to be the Presence on Earth in the way your Presence desires. That is where the highest Good comes forth from your lifestream. Not only will this fulfill all the necessities of life, but also the Necessity of drawing upon the Light of God to prepare your Chalice as the Christ Light, anchoring the Fire of each Ray so that you might gain your Victory in the Ascension. Leto leaves you with this Instruction: As long as you have breath, let that breath call upon the Presence of God, and all will be well!

Join with Hierarchy in this Great Work of Light!

Discourse — June 30, 2022

Join with Hierarchy in this Great Work of Light! At The Temple of The Presence, we are striving to fashion an assembly that lives life in accordance with the Law of their own Mighty I AM Presence and the Law of The One. With the Ascended Masters, we aspire to put into practice High Spiritual Ideals and to live them with all of our capabilities. In these surroundings, you can truly discover your own constructive role, your reason for being. That is when you will find that pure joy in your avenue of world service on the Steep Path to Christhood. Our efforts together establish the underpinnings of a Golden Age, the Principles of God's Law. The Temple of The Presence is codifying the Truth of Cosmic Law[®] that will become the sacred texts for the coming Golden Age of Saint Germain. Herein we find the foundational understanding of the Mystery of God Individualized, the Mystery of The One, and the Mystery of The Good. The chief hallmark of a Golden Age are the Sons and Daughters of God clothed in their Holy Christ Presence and holding conscious connection with the Beloved I AM Presence. The ideal is to have the whole fabric of a civilization be raised together, step by step, so that they can all pass onto the Victory of the Ascension!

Develop an Ascended Master Culture in the Land

Pallas Athena — June 30, 2022

Pallas Athena reveals the purpose of life: walking the Earth in God's Light, allowing for God's Presence to establish God's Kingdom upon Earth, and then, having won your Victory, returning Home in the Ascension! She instructs you on developing an Ascended Master Culture that leads to the Golden Age, a culture which lives according to the Presence of God in Truth, in respect of the Light, and in Honor of the Presence of God — knowing that life is precious, and every day is an opportunity to manifest God's

Presence for greater benefit to all. This is the selfless life led by incarnated Christs. Expanding God upon Earth brings God Love, God Fruitfulness, and God Wholeness. God's Infinite Presence is always available to you. *Be an Ascended Master!* Elevate your consciousness into the Christ Light and establish the Momentums that will carry you to your Ascension! Let the Light of God be shared with all across the world. Call for Protection for those who are struggling to hold fast to the Truth and Freedom they require to be in the Presence of God. Strive mightily until each one has the Christ Light upon them and the Earth is a Golden Age!

Victory's Temple and Pharos of Hierarchy in the Shekhinah Pillar

Discourse — July 1, 2022

The Shekhinah Pillar® is part of the Fiery Engram for this Conference and Acropolis. The Pillar's foundation was established by the Brotherhood when Godfre as Alexander the Great founded the Egyptian city of Alexandria, and Serapis Bey as Ptolemy brought forth the Pharos Lighthouse there. Along the Shekhinah Pillar's vertical axis are five major focuses: the Panoply of the Christos on the Nirvanic Plane; the Shield of Elohim® on the Buddhic Plane; the Oriflamme Chalice of Ruby Fire Action on the mental plane; the Halo of the Praetorian Hosts of the Twelve Archangels and Archeia on the emotional plane; and the Temple of Victory and the Pharos of Hierarchy® on the physical plane at the Pillar's base. Called, "The I AM Temple of Life's Victory," its spire is the Pharos of Hierarchy initially conceived by Serapis Bey. It features three Temples on its three levels: the first Temple is where all twelve Chohans, Jesus, and Mother Mary are most evident; the second Temple is dedicated to the Flame of the Holy Spirit, the Maha Chohan, and the Freedom Flame; and the third, top most Temple is dedicated to the Ascension and is directed by Serapis Bey.

Mighty Victory's Temple is Completed in the Etheric City!

Mighty Victory — July 1, 2022

Mighty Victory proclaims your Victory and announces the completion of Victory's Temple in the Etheric City directly over the Sanctuary of The Temple of The Presence! He instructs you on building your individual Temple of The Presence within you and explains the Divine Mission of every Torch Bearer and Light Bearer around the world under the canopy of The Temple of The Presence. As the Victorious Momentum within The Temple will spread worldwide, it is important to remember how to receive the new ones and to give them the freedom to come into their own in their particular time and cycle. As you have given your resources and devotion to God to continue the Light through The Temple, your good works and love for God have established enough Momentum to not just build The Temple of The Presence on the physical plane, but to build Victory's Temple in the Etheric City directly over the Sanctuary! Help to hold the balance for The Temple of The Presence so that everyone can elevate their consciousness into Victory's Temple! Fix Victory's Temple within your consciousness daily so that you are elevated to that Momentum established there. And let Sanat Kumara and Lady Master Venus be your examples of what is possible for the Earth.

How the Pressure of Light Will Change

Individual Consciousness

Discourse — July 1, 2022

In ancient Greece, the Goddess of Liberty was known as Demeter. In the Greek myth, her daughter, Persephone, was abducted by Hades into the underworld. The story of Demeter's search for her missing daughter with torches in both hands symbolizes the Ascended Masters' Providential Love for unascended mankind. It symbolizes their desire to search to the ends of the Earth to redeem these ones who are caught in the astral

and psychic planes. In the Shekhinah Pillar, through the Ruby Ray Action of the Oriflamme Chalice, White Fire Core substance, newly liberated and redeemed from recalcitrant records of discord, is charged with the God Consciousness of the Golden River of the Helicon and the Gifts of the Gods. It converges in the Golden Flame Torch of the upraised right arm of the Goddess of Liberty standing atop the Pharos of Hierarchy. The radiation of her Torch affords the sustained pressure of the Light that illumines the minds and liberates the Heart Flames of those receiving the Protection of your Calls. The pressure of this Light is part of the Constancy of the Fifth Secret Ray going forth and sustained so long as there are lively stones, lively Torch Bearers, living for this work in this and future generations!

You Have the Opportunity to Make a New World
Goddess of Liberty — July 1, 2022

The Goddess of Liberty stands with you holding fast to Cosmic Law so that you might have the freedom to express God wherever you are! How important is the liberty to be who you are as the Son or Daughter of God wearing the Christ Light and moving in the God Direction that your Presence desires! Opportunity comes from the Liberty to be! And the Liberty to be gives you Freedom to express the Light of God everywhere you turn! The Goddess of Liberty reminds you that Cosmic Law can be distilled into an Ascended Master Way of Life. You have the opportunity to make a new world. You can call upon the Law of Forgiveness for the transgressions of a country, of a world, and balance much that needs to go into the Flame, so that Freedom can be expressed more quickly. God Consciousness can be realized more keenly, and Cosmic Law will have its day! Call forth the Light of the Goddess of Liberty! Expand the Fountain of Light that she offers up for the Earth. Let her assist you in those cycles when you need support for she will be there with her Fountain of Light.

The Functioning and Service of the Emerald Ray **Discourse — July 2, 2022**

The Ascended Masters want the students of the Light to concentrate on those aspects of their own individual Path to the Ascension that must be accomplished while still operating in the outer flesh body. Your personal Ascension and the Dawning Golden Age of Saint Germain are the two overriding goals of your Mighty I AM Presence and of the Brotherhood at this time. There must be a concentration of the Light for manifestation to come forth in the outer realms. As energy and radiation move from the higher to the lower realms, they become more concentrated. Producing that condensation is the work of the Emerald Ray. Although there is limitless supply, it must be called forth by the individual using the Conscious Cosmic Christ Command. The Will of your Mighty I AM Presence acting through the outer self via the Emerald Ray is what brings forth manifestation.

The Divine Alchemy of Life **Saint Germain — July 2, 2022**

Do not be blind to what is going on around you and only call forth the Light for a select few. Expand your calls to every Son and Daughter of God, for they are precious to their Mighty I AM Presence. That will foster new cultures, more Protection and bring forth the Golden Age. You are not expected to deal with injustices across the world. You are to fulfill your vow to invoke the Light of God to elevate your vibration into the Christ Light so you are in the flow of the Compassion of God, the Truth of God, and the Purity of God. Then you can bring forth the Alchemies of the Emerald Ray and God Consciousness. Once you understand the various elements of the Shekhinah Pillar, you will be able to have a greater grasp of the God Consciousness of Ascended and Cosmic Beings coming all the way to the physical plane to manifest fully and completely, in order to establish the Victory of the Golden Age.

***The Gift of Cyclopea and How the Emerald Ray
Manifests Your Visualization***

Discourse — July 3, 2022

Beloved Cyclopea shared himself and his Consciousness with you by entering into a oneness with your Mighty I AM Presence. If you will accept this gift in the personal and intimate spirit of sharing that Cyclopea offered, you will be able to benefit much more greatly than if it is thought of as some sort of mechanical transference that takes place. Through his Power of Visualization, Cyclopea transferred the Emerald Ray to you through your Mighty I AM Presence and your Crystal Cord coming down into the physical atmosphere around you. This is an anointing so the daily Momentum of your Mighty I AM Presence will carry the Charge of Cyclopea. This is the Love of Cyclopea's Heart extended to you.

***You Have Received the Charge of God to Fulfill
Your Fiery Destiny***

Helios and Vesta — July 3, 2022

Helios and Vesta pour forth their Momentum and God Consciousness so you can have every vestige of God Consciousness afforded you at any given moment. But for this to happen, you must establish a vibration that is connected to their Consciousness and allows the Mind of God to penetrate your outer vehicles so you have the Wisdom of Christ Discrimination. It is up to you in these outer vehicles to will the Presence of God into your life and to have enough Love for God to knit together all the planes of consciousness all the way to the Great Central Sun and the Heart of Helios and Vesta. This allows the creativity of all that is God Good to come into manifestation through your vehicles of expression. Do not allow the world's callousness to sully the Purity of your consciousness. You are the Heart of your Presence that initially came forth Pure and Holy, and you are called to now remember and restore your pristine beginning.

Elect to Receive the Gifts of the Gods for a Golden Age

Discourse — July 10, 2022

Saint Germain declared that before advancement on the Path to the Ascension can occur, the lust of the carnal mind must be transmuted and purified so the sincere desire of the Heart can understand one's own Mighty I AM Presence and Cosmic Law, which have nothing to do with mortal curiosity. One of the earliest tenets of the Teaching is that whatever your mind is focused upon, that you will become, and constantly concentrating on earthly things diminishes the awareness of God and Higher Ideals. The choice everyone faces is where to focus their attention. Will you align with the mass consciousness or direct all of your energies toward your Mighty I AM Presence and receive the Gifts of the Gods for a Golden Age? It is the magnetic attraction of your Heart to your own Mighty I AM Presence that enables you to keep striving toward and win your Ascension.

Garner the Wisdom of Cosmic Law

Mother Mary — July 10, 2022 (Replay of October 14, 2016)

The outer concerns of the mundane world and human thought and feeling that tug upon your consciousness must go into the Flame so you might enter into the Flame upon the Altar of your Heart. For the baggage of the human creation never was, nor ever will be, accepted in the Realm of Perfection. When you hold the vision of the Charge of Light God desires to lower into the Earth, you become the Chalice of Light in your circle of influence. For you touch each plane of consciousness and your countenance reverberates a Charge and Momentum of your own energy. Refrain from engaging with the negativity of others. Rather, garner the Wisdom of Cosmic Law, Patterns of Light and Momentum, and the flow of the Mighty I AM Presence working through you to accomplish Purity in Life.
