Find your Refuge in the Light of God

Blessed Sons and Daughters of God, Children of the Light, far and wide, When you call, I, Mary, answer — not necessarily in the Office of the Mother of the Son of God, whom you have come to know as Jesus the Christ, but as the Archeia of the Fifth Ray. This Office streams forth the Presence of God as the Emerald Ray and codifies the Emerald Matrix so that you might bring to bear Necessity's Ray in your life. Wearing this Emerald Ray, radiating the Charge and the Perfection of God that streams forth, allows you to put on the Garment of the Christ, to walk straightway in Fearlessness Flame so that you are not taunted or intimidated by any appearance of unreality.

When unreality raises its ugly head and tries to scare you to enter into doubt or fear, you know that you must be doing something right! It is all-important for you to understand that at the core of your being resides the Truth of the Divine Presence and the Will of God, the Wisdom of God, the Purity of God. Realize that if you are forever allowing your consciousness to entertain any lesser state of vibration than that which is held by the Mind of God within the Holy Christ Presence, then you, blessed ones, will be forever dueling with unreality, struggling through one incarnation after another and never truly reaching the goal — the Will of your God Presence to know the Purity, the Truth of Cosmic Law, and the Divine Presence that is to manifest completely throughout all your vehicles of consciousness.

Many entertaining a higher path for themselves outside of the human thought and feeling that is thrust upon them from birth oftentimes will consider: Is this Path really what I should be putting my attention upon? Are these practices in accordance with the Divine Will? Do I measure up? Am I worthy to put on this Garment of the Christ that I have been told is the Divine Plan for every Son and Daughter of God?

Those questions, blessed ones, are in order. And where do you find the answer? Right within the Flame upon the Altar of your Heart! But if there is such confusion, human doubt or fear swirling about your consciousness; agitation, anxiety, and desperation within your emotional body; or illness and pain, suffering in the physical, you must mark what is the driving cause in your life at present. What is at the helm of your decisions, your path, your way of life?

Many would like to say it is the Flame upon the Altar of their Heart. For they have listened. They have been attentive to the disciplines of Decree, Prayer, Meditation, of the Service to God in life. And they have marked their days in accordance with the priority to follow the Mighty I AM Presence. And that is all-important. However, when the pressures upon the outer vehicles, submerged beneath the weight of human conditions untransmuted, begin to swirl about and take hold of their life, they lose touch with the Flame of the Heart and must be re-galvanized to that Flame for it to burn brightly once again within their consciousness, their emotional body, their physical body.

One by one, each of the vehicles of consciousness begins to be filled once more with the Light of the Mighty I AM Presence and the Ascended Masters, and there is the ability once more to overcome the lesser states of consciousness that the masses of mankind throughout the Earth feel so at home in.

You as Torch Bearers have had such a co-measurement. You have understood the charge of the Vibration of God, the Healing Current of the Emerald Ray moving through you. Time and time again you have been witness to just such occasions and many more experiences in the Light of God. Then why would you ever fall sway to any of the misqualifications of the Light?

Certainly, within your consciousness, within your mind, you know the co-measurement, for you have said as much. Certainly, you note the records that you are able to read within those you come in contact with, the vibrations of their emotional body. You are able to judge where there is agitation in their world, or yours, and the necessity to calm the emotional body and bring Peace

back into its rightful place so that the Charge of the Light from the Mighty I AM Presence has a reservoir of God Energy with which to act. That, blessed ones, is a necessity so that you can have the full Harmony required to truly be effective with the Emerald Ray and to maintain the Emerald Matrix of Perfection and Purity.

And what of those who are constantly looking about for something negative to put their attention upon so that they might have something to speak of, to gossip about? How many times must the Sons and Daughters of God be taught that gossip is a cancerous contagion that rots the very core of the vehicle, whether it be an individual, a group of individuals, an organization, a country, the Earth?

The Sons and Daughters of God are presently living in a time when it is easier to fall into lockstep with negativity than it is to rise above it, looking to the Mighty I AM Presence for solutions, for direction, for healing and wholeness. Instead, it is reminiscent of a coven born out of witchcraft in ancient times.

You, blessed hearts, have been warned time and again from the earliest Teachings of Saint Germain not to gossip. If you do not believe that the Teaching is true, you may test the waters of your own life and experience firsthand the consequences of the lack of abundance, the lack of healing, the lack of wholeness that will continue to permeate your life if you continue to engage in that negativity. That karmic reaction is not the Hand of God coming down as a hammer, as so many would like to think. It is the inescapable consequences of the misuse of the Light! And when you understand what is the misuse, what is the wise use, does it not merit your total attention to bring your consciousness into alignment with the Vibration of your Holy Christ Presence?

Do you suppose that any Ascended Master walking the Earth in their incarnations were not tested in this regard? Most assuredly they were. For it doesn't take long for the consequences of one's karma to teach a particular lesson.

Now you can say that you have the Decrees, the Violet Flame, the Emerald Ray, the Purity; you have the *Shekhinah Pillar* to call upon. And indeed you do. But there does come the time when any misqualified activity is deliberately repeated, over and over again, that the Mighty I AM Presence desires and demands that you balance it by enduring the physical karmic recompense.

This is why there are some burdens that are no longer balanced by transmutation. For the opportunity has been given time and again, and yet, excuses were always made in the attitude “Thou shalt not surely die,” as the serpent said in the Garden of Eden. You must realize, blessed ones, that the Truth of Cosmic Law is no respecter of persons.

This coming Conclave is an opportunity for you to recognize what is Holy, what is Divine, what is Perfect, what is the Vibration of Love, of caring, what allows for wholeness to return not only to your life, but to the lives of the many that you serve with your Decrees, with your Service to God in life. It is an opportunity for you to move beyond the pettiness of your many incarnations and put on this Garment of the Christ.

But then, just as quickly as some have learned how the Light of God begins to flow through them, in a weakened state of consciousness, they fall back into the old patterns and habits. This is most unfortunate. For it takes an even greater impetus to overcome the next cycle, to rise beyond that vibration of negativity, and to recognize those patterns within one’s world that require the Violet Flame, require the Light of God — but most importantly, the Christ Discernment not to enter into those patterns ever again! That is true Wisdom, beloved students of the Light. That is the wise initiate on the Path.

My counsel to you, as always, is to find your refuge, your safe haven within the Light of God. For your Mighty I AM Presence is always there, waiting for you to rise out of the murky waters of your human vibration and into the clarity of the Vision of your own Mighty I AM Presence.

This coming Conclave, as you heard from Beloved Virginia, is an opportunity for you to know more of the Emerald Ray. Perhaps you think you have already mastered it. Perhaps there is within your world the misconception that there is nothing more you can be taught, for surely your Presence has it all, and if you need to know it, your Presence will make it available to you. While that may be true, it is the wise Son or Daughter of God who hastens the day for the Wisdom to come forth and does not rely upon the possibility that at some point in the future you will stumble upon that Truth, that key to your own Divine Destiny!

Why do you suppose the Ascended Masters have summoned you to gather together with these, our Anointed Representatives, as they lower not only the teaching and instruction from our Voice, but also our Momentum, and our very Presence into your midst? It is because, blessed ones, mankind, left to their own devices, was not accelerating on the Path. These, our Anointed

Representatives, are a necessary requirement for our Light and Momentum to be lowered into each of the planes of consciousness, thereby radiating out so that the entire world may receive the Charge and Momentum of Truth and of Cosmic Law!

And while it does make a difference whether or not a handful of the students closest to this Fire are able to perceive and appropriate this Fire into their own lives, nonetheless, there are also those, thousands of miles away who do not know that I, Mary, the Archeia of the Fifth Ray, am addressing the Earth this very hour! But they have received the Charge and a certain amount of the instruction that has been lowered into the mental, emotional, and physical planes, that vibrates through Akasha. And they will register what they are capable of, according to their attainment.

This is how it works, blessed ones. We do not come merely for the few, but the many. And it is all-important for the Earth to have a firm foundation upon which the tide of the Golden River of the Helicon can continue to sweep the Earth with the very Living Presence of God so that the Golden Age will come, will manifest upon the Earth, and assist the Sons and Daughters of God to elevate into their Christhood.

So you see, blessed ones, you do have a solemn Responsibility for what you say, what you do, the vibration of your countenance, and what you put first in your life. Is the Presence of God first? Is it the Light that is to go forth for the Earth? Is it the teaching and instruction that is to permeate the Earth? You will answer by your actions, by your vibration.

I, Mary, am constantly holding the Vision for you, each one, in the Immaculate Conception of your Christhood. I desire that you put away childish things. They are no longer cute. They no longer serve you well. And put on the Divinity of your Christhood! You are far and away mature enough to know who you are. Awaken to the Flame on the Altar of your Heart! Then you will know the Truth, know the Vibration of God that you desire to move within.

And if you do not desire to be in the Vibration of God, then, like it or not, you will gravitate to a level of association with the Ascended Masters in accordance with your vibration. If you desire to be a chela of one or more of the Ascended Masters, it takes great Fortitude, Courage, Strength! You must stand almost as though you are an Archeia or an Archangel in the countenance of your own Heart Flame so that you can move through the initiations required. This Path is not for the weak! It is not for those who desire to hold onto their human creation.

Moving into the Realm of Christhood — as in the example of the many Ascended Masters who have gone before you — is a most challenging initiation! But as you have come to know, it is worth every erg of energy that you must strive to bring to the fore. Master Morya is the greatest of Teachers when it comes to knowing how to strive for the Will of God. Saint Germain, one of the wisest Teachers, enables you to know the inner workings of the divine alchemy so that *you* can perform the Emerald Matrix in your life, you can satisfy Necessity's Ray!

So as you come to the Conclave, putting your attention upon your *Royal Presence, Royal Mind*, recognize that therein is the *key* to your Victory. You will want to be prepared so that the Strength, the Courage, and the Purity of your vibration is fully intact and ready for all the Ascended Masters have to share with you.

Come! Drink in the Emerald Ray! Let the Healing Current perform its Perfect Work in your life! At the close of the Conclave you will have accelerated your vehicles of consciousness into the Fullness that your Presence not only desires, but requires of you, so that you might fulfill the Fiery Destiny of this incarnation and not put off to another cycle what must be accomplished here and now.

Come, one and all, to put on the Garment of your Mighty I AM Presence as the Holy Christ Presence steps forth in the Emerald Ray!

I hold you in the Vision of Perfection so that you might attain to those vibrations required to fulfill your Fiery Destiny, here and now!

Mother Mary

Public addresses to the students presented in *The Voice From The Temple* have been prepared by the presiding Master for release in written form for our present use and for posterity.
