Charity Prepares the Pathway for the Emerald Matrix

In the Heart of God Love, I, the Archeia of the Third Ray, come to impart to you a greater understanding of the importance of the Charity that is to stream forth naturally, unimpeded from your own vehicles of consciousness. That means through the mind with kind and generous thoughts that you hold for all of life around you. For the expansion of your consciousness is to be able to embrace a greater Momentum of the Universal Outpouring of God Love as it flows forth naturally in such Limitless Abundance, far more than any one Heart Flame could ever issue forth individually.

It is in that exalted Consciousness of Absolute God Love, blessed ones, that you are able to distill the Perfection of God, to hold the Patterns of the Great Providence shining forth out of the Heart of God that are for all, those of the Christic line, the Angelic line, and those of the Elemental line of God's Kingdom. In this Allness of God, there is no concern that crosses the mind trying to determine whether or not to give of one's self. For in that High Estate the Presence naturally flows with all of the Blessings and all of the Wonders that God has wrought throughout the vastness of the Kingdom of God.

When you begin to embrace this Reality and understand how truly important it is for you to abide every moment within that Realm of the Perfection of God, you begin to establish within your own vehicles of consciousness the Patterns of God Life that report back to the Heart Flame the Vibration of that Sunrise Moment in Eternity when the overflowing Fullness of the Love of God streams forth to light up the Allness of the Great Central Sun.

Divine Providence forever cognizing these Patterns of the Truth of God Identity allows for the expansion of God, the multiplication of God, and yes, blessed ones, the anchoring of the Emerald Matrix, steadfastly focused as the Patterns of Perfection upon which to build, create, fashion and form, all within the Kingdom of God. This means not allowing for the outer vehicles to encroach upon that Perfection with lesser states of vibration, but holding everything, even in these outer realms, in levels of God Perfection — in the Fullness of God Love.

When you hold fast to the Visions of Perfection constantly flowing forth from your Mighty I AM Presence, streaming forth in all their Glory as Rays and Radiance of Light, as Momentum of Life, and Consciousness of the Mind of God, woven into a garment for you to wear as the Garment of the Christ, allowing that to be the Presence that you abide within throughout your earthly incarnation. You are not tempted by the outer world and its lesser states of vibration, all of its concerns about the minutia of unreality, all of the delving into and embracing of the jagged rhythms and movement of the astral substance that would fill the very atmosphere of the Sons and Daughters of God, given the slightest provocation. That is not what you have chosen as an Ascended Master Way of Life.

The election of God, your Mighty I AM Presence, to incarnate signifies its desire that you should hold to all the Eternal Patterns of the Reality already present in the Realms where the Presence lives, still expressing the Sacrifice of the Light and all the Divine Momentums of the Central Sun, pouring them into the world of the Elemental Forces of Nature, holding Perfection high, and bringing the Fullness of God into each of these outer planes of consciousness. Thus it frees the elementals to know what it means to be in that Sacred Vibration that allows for the Fullness of their highest Momentum as held by the Hierarchy streaming forth the Consciousness of the Divine Designs held by the Elohim, allowing for the Fullness of Life to be responsive to the Heart Flame of Perfection, *instantly*, so that when you have a need, a Momentum that must come into manifestation *quickly*, there is no lagging of time and space. All happens according to the cycles and the timetables that are perfect, according to the Emerald Matrix of Divine Providence established by your Mighty I AM Presence for you in this world of form.

Many times you have called forth the Emerald Matrix and wondered why there has not been that instant response. Perhaps in the call, blessed one, you were not specific, and your consciousness was diffused across the

vast world around you, not drawing the Emerald Ray into the razor sharp focus of the Divine Pattern that was necessary. And if that Divine Pattern was not recognized or known, you did not call to the Mighty I AM Presence to focus that Form with the Mind of God issuing forth the combined Will, Desire, and Power to fulfill the need of the hour.

When the Angelic Kingdom desires to be effective in the world of form, assisting the Sons and Daughters of God, first and foremost, the Patterns of God Love that are the natural estate of every one of the Archangels and Archeiai are transferred to the Angelic Kingdom. Instantly the Angelic Host responds, gives of itself, and establishes the necessary Momentum, sharing that Universal Love of the Body Consciousness of God that is the Perfection that they hold and maintain. You, blessed ones, have the priceless opportunity to welcome the presence of the Angels and thereby receive the Charge of Light and Momentum of God Consciousness that they hold. When this action is complete, the pathway of God Love opens the door of your own Heart Flame, and your own consciousness is able to receive it. If your door is shut, your consciousness unattuned with the Vibration of Love, you can begin to appreciate how challenging it might be for the Angels to assist you.

The pathway to the fulfillment of all of the Desire of your Mighty I AM Presence for your lifestream is through the Flame upon the Altar of your Heart. Therein resides the Threefold Action of God's Love, God's Will, and God's Illumination. Understanding how the Threefold Flame of the Heart, abiding ever close to your outer vehicles, establishes the Momentum of God within you, gives you the opportunity to draw upon it at any time, for any reason that is for God Good, Divine Intent, and Holy Purpose. But should there be an action, a thought, an energy that is not in keeping with the Love, the Will, and the Illumination of the Threefold Flame, over time that Flame recedes back into the Higher Octaves closer to the Mighty I AM Presence so that you will not continue to abuse or misuse the opportunity extended to you.

And what does that mean? It does not mean that the Threefold Flame has abandoned you. It only means that you do not have that close access to continue to create greater misqualification with the Light of God. Nonetheless, at the slightest desire for God on your part, at that very moment when your consciousness returns to the Sanctified Vibration that allows for that closeness of the Christ to abide within you and overshadow you, you are once more seated in your Heart, restored to the opportunity of drawing upon the Fullness of the Mighty I AM Presence in the active mode of expression of

the Christ Light, exercising God Dominion over the realm, not only of your own life, but of the atmosphere around you, rendering assistance to all those who you desire to lift out of unreality, negativity, the absence of God in their life, blessing them with the Light of your own Mighty I AM Presence and of the Ascended and Cosmic Beings.

To utilize fully and completely the Emerald Matrix to the highest of the opportunities that you can draw forth means wielding the Power of God, standing in the Christ Light of the Mind of God, and loving all of God throughout God's Kingdom. This brings the Fullness of all that your Presence has desired for you to master. For yes, blessed ones, the Mastery and the Attainment that you have been commanded by your Presence to achieve in this world of form as the incarnate Christ, then has the opportunity to be established in God Victory!

During the Easter Conclave that approaches, when you are putting your attention upon the Resurrection Flame to behold the Fullness of the God Identity within you and lift your consciousness on high into the Mind of God, the Heart of God, the Will of God, the Ascended and Cosmic Beings will come to take you by the hand, all the while the Angelic Kingdom of the respective Ray of each of those who will address you from the Octaves of the Presence of Ascended and Cosmic Beings will so charge the atmosphere round about to teach each one of you about those conditions that you must refine within your consciousness, must embrace with your Heart Flame, must establish as Activity and Momentum, and must hold within the Christ Light.

The Patterns of God Love are all about you, blessed hearts. You need not go to the rarefied atmosphere of a high mountain peak or the soothing energies at the water's edge, lapping gently upon the land, to soothe the rhythmic flow of your energy, or to establish such rigorous activity of the physical body to bring it into the tonal, physical ability to be charged by the Light of God. All of these things, blessed ones, are helpful of course.

But the True Identity of the Presence of God that you must establish within you is the expansion of the Threefold Flame of the Heart, allowing the exercise of the Flame to charge the physical body, to allow for the rhythmic flow of the Heart beating in concert, in Poise and Peace, with the primordial beat of the Heart of God streaming forth from the Great Central Sun. Or allowing the Mind of God to charge and in turn be charged by the Buddhic Web, scintillating the Patterns of Perfection of the Mind of God and allowing for the Flame of the Heart of your Presence that abides upon the Altar of

your Heart to connect with that which your Presence desires *you* to draw forth into the mind.

And then as quickly as there is a Desire of the Heart of your Presence to bring forth a greater Momentum by the use of the Emerald Matrix, blessed ones, you will be embarking upon a new pathway of life. One that allows you to embrace all of the Beauty, all of the Joys, all of the creativity that are within the vastness of the Desire of the Heart of your own Mighty I AM Presence!

That, blessed ones, is the life your Presence has desired for its Heart Flame incarnate as the Light of the Christ and the Momentum of God Identity incarnate. You, blessed ones, are invited to come participate with us as we embrace the True Love of the Heart in Charity, streaming forth the Love of God to prepare the pathway of the Emerald Matrix for fulfilling the Law of Being of your Presence.

Throughout the forthcoming days, in preparation for the Conclave, you are requested to call upon those Ascended and Cosmic Beings that serve the Flame of Love and the Flame of the Emerald Ray to assist you in building a momentum of preparation so that when you arrive your Heart will already be open, your consciousness clear, your Vision pure, and the Strength of your body temple galvanized in the White Fire of the Mother Light, prepared for all that your Presence desires for you to receive.

Let the Glory of God come upon you! Let the Momentum of Angels lift you high! And let the purification of the Resurrection Flame prepare you for the Blessings of God!

I, Charity, hold you in my Consciousness in the Momentum of Love and the Purity of your own Heart's desiring to abide in the Presence of God forevermore!

Charity

Public addresses to the Students presented in *The Voice From The Temple* have been prepared by the presiding Master for release in written form for our present use and for posterity.
