

Study Group Handout – Fall 2024

Topics of discussion for consideration:

1. Identify overarching themes from the previous day's Releases. Explain why they stand out and are important to you. What's their impact on your Path and any of your spiritual practices or way of life? Why?
2. Recall and relate any specific instruction or insight gained that stands out for you from the previous day or even what has been released up to this point during the Conference/Acropolis cycle. What difference is this new awareness going to make in your everyday life? Why?
3. Identify points of the Teachings and instruction that may require further clarification.
4. What specific instruction on applying the Law or articulating the Law did Monroe give us?
5. What I AM Affirmation(s) or other decrees might assist you in forging an expanded awareness of / and greater connection to your Mighty I AM Presence, as a result of hearing these Truths of Cosmic Law.
