Raising The Temple Sacred Ritual

Easter Conclave 2016

The Shekhinah Pillar™

Discourse — March 23, 2016

El Morya has long held the vision of a Temple raised up to the glory of the Presence of God, and indeed, each one of you is a Pillar in that Temple. During this class you will discover how to build a spiritual Temple that will act as a magnet for the Light and how to radiate that Light into your immediate surroundings and around the world. Just as God provided a Pillar of Light and Fire to light the way for the children of Israel, so is the *Shekhinah Pillar* provided to us in our time as the foundation for the Golden Age. It is the spiritual edifice that we will build up and sustain. It represents the cumulative force of the *Entire Spirit of the Brotherhood of Light* focused to that one end and purpose of achieving the Golden Age of Saint Germain.

Be a Pillar of Light

Lord Maitreya — March 23, 2016

Lord Maitreya charges you with Ruby Fire so that you are prepared for your Sacred Work of building the *Shekhinah Pillar* and maintaining it with the Ruby Fire. As you weave your Crystal Chalice daily, providing a home for the Flame of God, you are also building the greater Temple of Light for the *Shekhinah Pillar* that will blaze forth for the entire world! And when Torch Bearers come together at The Temple of The Presence, they reinforce and build upon the Light and Momentum of the *Shekhinah Pillar*. Lord Maitreya fills the Ruby Chalice upon the high Altar at Coeur de Lión with his Momentum. It will continue to radiate upon this Earth for all time as the Heart of God pouring forth for your Victory in the Light! Let the Charge of Maitreya's Momentum and Attainment be upon you to light the way as you adhere to your Divine Plan in your daily work with the *Shekhinah Pillar*.

The Message of the Pharos of Hierarchy™

Discourse — March 24, 2016

The *Pharos of Hierarchy* is a transcendent vertical spire of Divine Aspiration, one with the Temple of Victory. It represents the Divine Ideal of the Victory of your Individual Presence who, as the Godhead Charioteer, has entered into these lower realms for the purpose of achieving Victory over earth, air, fire, and water. The Masters cannot stand in the place of your Presence. Your own Mighty I AM Presence is the deliverer of salvation and the Source of all Good in your life. This Ascended Masters Activity, with all its glorious Dispensations, is here to assist your Presence to win its Victory. The unascended disciples and their I AM Presences are to be the nexus through which Ascended Master Light comes to Earth and radiates out into the world. This encapsulates the visual message of the *Pharos of Hierarchy*.

Service to the Will of God

El Morya — March 24, 2016

El Morya asks you to draw upon the akashic records of these Releases given during this cycle. He commends you to the work, the Labor of Love, of manifesting the Temple of the *Pharos of Hierarchy* and utilizing the Will of God to establish the *Shekhinah Pillar* for the Sacred Ritual and Holy Communion with God. Strive with your Heart Flame to be in the Will of God and you will see the edifice of your Etheric Temple of the *Pharos of Hierarchy* established. This edifice is made without hands by the Heart of God, by the Elemental Forces of Nature, by the Purity of the Consciousness of Ascended and Cosmic Beings. The glorious *Shekhinah Pillar* will assist those striving on the Path. Each time it is erected with your assistance, you are magnifying and multiplying the Gifts of the Gods for all mankind to draw upon.

Wise Use of the Violet Flame

Saint Germain — March 24, 2016

When you enter into the Sacred Ritual of establishing and adding to the *Shekhinah Pillar* with your Heart Flame and the Momentum of your Presence, remember that it is a glorious opportunity. It is a service that you render out of gratitude and Love for God in life. You can be a part of this glorious Pillar of Light and anchor your God Identity in the Earth. As you stand as a Pillar of Fire in the Temple of the *Pharos of Hierarchy*, you see Violet Flame swirling about. As it moves out and covers the Earth, saturating each plane, you know the Golden Age is not far removed, for the work is going on. Saint Germain seals you in the Violet Flame and a Dispensation of the expansion of your Calls and your attunement with this Flame that will carry you into the Holiness of your Holy Christ Presence and the Sanctity of the *Shekhinah Pillar*!

How the Power of God Descends

Discourse — March 24, 2016

We take up the theme of how God Power is brought to bear in this world of form. The *Shekhinah Pillar* is a world-encompassing Dispensation granted to Ascended Master disciples whereby God Power can be harnessed and released into your personal affairs and the entire world. The Shekhinah Presence of God Almighty dwells within this Pillar as Infinite Power from the Great Central Sun, and that Power can be invoked in the I AM name, allowing it to be unleashed from the Great Central Sun, stepped down into specific forms by the Elohim and the whole hierarchical chain of Ascended and Cosmic Beings in service to the Great I AM, transferring that Power to the Earth. You too are to be an instrument of this Divine Direction and Power, allowing for the culmination of the Divine Service of the 5th Secret Ray.

I Initiate this Cycle of the Shekhinah Pillar!

Archangel Michael — March 24, 2016

Lord Michael teaches us how visualizing and concentrating on the pure thoughtforms of the Archangels and Archeiai as they fan

out across the Earth will allow your Presence to send forth the Ray to connect with each of the Archangels and Archeiai. You are thus called to stand as the point of the lance, calling forth the Archangels by your service and devotion to God and building the *Shekhinah Pillar* each time you come to the Altar. As you do this you are building an Etheric Momentum that holds to the Patterns of the Divine Outpouring of Alpha and Omega. When you take up your Sacred Ritual to enter into the Temple of the *Shekhinah Pillar*, recognize that the Presence of God goes far and wide across the Earth from that Temple. And this is because you have taken up your Garments of Light and Momentum of Holiness and have embodied the Virtues of the Christ.

Establishing the Thread of Contact with Elohim

Discourse — March 25, 2016

When you make a commitment to the Ascended Masters to enter into service to their Work, the Law permits them to establish with you a more than ordinary connection referred to as the “thread of contact.” Similarly, the legions of Angels come bearing in their pinions of Light the Charge of the Archangels’ Ascended Master God Consciousness, making a communion and at-one-ment with the stream of your Crystal Cord. An even higher level of intercession is rendered by the Elohim. This activity is condensed into the fiery engram of the *Shield of Elohim™*. It is their role to gaze into the Divine Paradigm, to read the record of those Patterns of Perfection there. If you align yourself with the Elohim and the action of the collective *Shield of Elohim*, there is nothing of this world that may be permitted to delay or prevent the outpicturing of the Patterns of Perfection from the Heart and Mind of God.

Remain Tethered to the Shield of Elohim For Your Victory!

Elohim Cyclopea — March 25, 2016

Cyclopea provides instruction on gaining Attainment and Mastery in the Detail Consciousness and Single-Eyed Vision of the Emerald Ray. He also instructs you on the importance of the *Shield of Elohim*. For when you come to the Altar to establish the *Shekhinah*

Pillar, it requires you to be tethered to the *Shield of Elohim* and to the Consciousness of each of the Twelve Mighty Elohim, as well as the Maha Elohim, Ouranos. When Cyclopea holds the Vision for the Earth and the Sons and Daughters of God, he holds the Perfection of the shining Light of their Christhood streaming forth, lighting a Fire everywhere their foot lands on their journey, everywhere their hand touches, everywhere the Word is spoken, I AM. It has taken many thousands of years of preparation, of training, and of cycles to come to the fore for the Dispensations to be granted for the *Shekhinah Pillar*. Do not let this opportunity pass you by.

The Supra-Fullness of the Good

Discourse — March 25, 2016

The Thoughtform of the *Shekhinah Pillar* contains the specific action of the Golden River of the Helicon that has been granted as a Dispensation by Cosmic Councils and the Lords of Karma for Saint Germain's Dawning Golden Age. It is seen coming forth from the Causal Body Rings of the Great Central Sun. In a spiral action, growing broader and more powerful as it descends, you see it coming to a focal point of intensity in the beacon of the *Pharos of Hierarchy* from whence it rays forth into the hearts and minds of the Children of Light all around the world. This Golden River contains the Gifts and Momentums of all of the Brotherhood's Members fused together in one mighty stream. The Golden River is an overflowing Fullness, or Supra-Fullness. The intent is that as the Ascended Masters share this Golden River with you, you will more and more draw forth the undiminished supra-abundant outpouring of your own God Presence.

I Address You on the Golden River of the Helicon

Maha Chohan — March 25, 2016

The Maha Chohan shows you how you can enter the Golden River of the Helicon and partake of the Gifts of the Gods. When you invoke the *Shekhinah Pillar*, visualize the streaming Golden Helicon swirling around the Earth, carrying the Gifts of the Gods to the Sons and Daughters of God. Whenever the Heart Flame of an

initiate is focused on the Golden River, it expands and is magnified by the Presence of that one. Once you experience the tethering to that glorious edifice of the *Shekhinah Pillar*, see yourself standing in the midst of the Temple and the Golden River flowing forth, gracing your crown, and depositing that Momentum that you specifically require to assist you. You will be strengthened by the Rod of Power that is one of the Gifts given unto the Golden River that will shine forth the Light of Illumination and Purity. You will take on the garments of your Christhood when you stand in the *Shekhinah Pillar*.

Torch Bearer Meeting

March 26, 2016

Operation Pharos is moving forward God Victoriously! We have received notice that the design and plans have been approved for Acropolis Pavilion. Our plan is to do the construction in stages so that we are sure the funds are banked for each stage. You can sign up for the Temple's Facebook page and see posted there photos of the building's progress. Our Hope and Faith is that as you see the building rising, you can imagine yourself sitting there. Imagine the month-long sessions of Acropolis Sophia and the first Wesak World Congress held there. We trust that as we come closer to the goal, you will want to help speed it along. Our gratitude is boundless for the faithfulness of the Torch Bearers. Saint Germain and all of the Chohans extend their Love and Gratitude for your Faith in this Ascended Master Activity that is laying a foundation for the Golden Age of Saint Germain.

Activating Your Panoply of the Christos

Discourse — March 26, 2016

We take up the theme of the Panoply of the Christos in the Nirvanic world, home to the Causal Bodies of the Ascended Masters as well as our own Causal Body. There are elements added to your Causal Body from your four lower bodies as a result of all of the Good you do and all that is freed by the Violet Flame. The counterfeit of the Causal Body Action is the soul or memory body. Negative karma remains there unless it is transmuted. But good karma rises through

the memory body to be stored in the Causal Body. The Violet Flame will not address the negative records you do not surrender. You must be willing to forgive and forget. Call for the Ruby Ray to strip those records off the memory body. As that body is purified, more of your Christ Presence can overshadow you and you will be able to touch the divine records you have created.

Let My Fountain Assist You in Establishing the Shekhinah Pillar

Goddess of Liberty — March 26, 2016

The Goddess of Liberty teaches that when you establish the *Shekhinah Pillar*, all the God Qualities and Virtues you desire will be available to you, carried to you by the Golden River. As you establish the *Shekhinah Pillar*, visualize the Causal Body Momentum of the Rings around the Great Central Sun so that it will reverberate the Intonation of the Presence of God in all of the God Qualities to so saturate all of life that it will have the “Newness of Life,” like the springtime of the Resurrection Flame. When your outer energies flag and you feel you need more of God’s Light, you may put your attention upon the Goddess of Liberty’s Flame and Momentum and feel the support of that Glorious Fountain of Light that is in the center of the Causal Body Action of the Great Central Sun.

Be Fruitful and Expand the Kingdom of God **Discourse — March 27, 2016**

The *Shekhinah Pillar* is an action of the Brotherhood of Light established and upheld by Alpha and Omega, Sanat Kumara, and the Holy Kumaras. Through a scientific process it allows the transfer of more God Power from the Heart of the Great Central Sun, where that Power is limitless, to where it is most needed — in the four lower bodies of the Earth. For the magnitude of that Light to be present 100 years from now, it must be sustained by a return current as the fruit of that Gift. The Ascended Masters are resolved that a Pillar of Fire be established to light your way and interject itself between you and any

opposition to your Divine Plan and service to life. As you engage in Decrees and World Service, you are ensuring that the *Shekhinah Pillar* will continue to expand its power of influence in this world of form.

Magnify the Lord in All Ways

Mother Mary — March 27, 2016

Know that no matter what you go through, trials or failures, Mother Mary is holding the Pattern of your Divinity as the Christ. You are to wear a Mantle of Light and Momentum of Purity and behold the nature of God in all your good works and in the fruits of your labors. As you take up the work of the *Shekhinah Pillar*, you will be adding to the glorious work of the Golden Age by anchoring the Fire and the Momentum from the Heart of God, from Alpha and Omega, from each of the Ascended and Cosmic Beings that serve the lifewaves of Earth. All of the seeming pain and suffering that may temporarily cross the screen of your life is not real, for the reality of your selfhood is the Mighty I AM Presence. Have Patience; have Faith; and in the glorious Love of God know that all is well, even when outer circumstances seem to report otherwise.

Wear the Light of God

Jesus — March 27, 2016

Jesus comes this day to dispel any question, doubt, or fear that may be lingering as untransmuted substance in your life so you might be done with it and be filled with the Light of God. For it is that Light that will take you into your future, which is bright and glorious to behold. You can purify every vestige of energy and record lingering within the folds of your garment, clearing them away daily, emerging into the White Light of Purity, ready to receive the Illumination and Will of God. When the Spirit of God as the Mighty I AM Presence comes upon you, there is no mistaking that Flame. Hold fast to the Truth and the Purity of who you are, putting God first in your life, and you will fulfill your Divine Plan and ascend into the waiting arms of the Mighty I AM Presence.

Let Your God Presence Be the Goal of Life for You

Discourse — April 2, 2016

If you are to be victorious in winning your Ascension in the Light, it will be because of your Love for God, your desire to always be as close to the Presence of God as possible, and to share that Love, giving of yourself and of your Presence. Let this message of the Ascended Masters become for you the Bread of Life, fulfilling you entirely. Your Presence gives you its Body Consciousness, the concentrated Substance which the Presence is, through the flow of the Crystal Cord. There should be reverence for the Life received from the I AM Presence. As you maintain reverence for the Body Consciousness of your I AM Presence, you enter into greater awareness of the Realms of Perfection. You recognize that Life should be used for the purposes of your Presence. If that Life is allowed to retain its Radiance and Purity, it will transform your life and your world.

God Love Will Bring the Earth into a Golden Age

Lady Master Venus — April 2, 2016

Lady Master Venus explains that by allowing your Heart Flame to soar into your mind, your emotions, your physical body, you express a natural affinity for God. The Power and the thrust behind the Activity of God seeking out its own is God Love. The cohesiveness of the Love of God draws it all into one purpose in life, and that is to be in the Presence of God. The action of the nine-pointed *Secret Love Star* in the *Shekhinah Pillar* is to stream forth the Substance of God from the Great Central Sun in a constant movement of Light and Momentum. You must hold to the Patterns of Light all the while you are tending to what seems to be something insignificant. But the significance of that moment is that you are holding onto the Light.

The Shekhinah Pillar and the Christ Presence

Discourse — April 3, 2016

For the full level of the Christ Presence to be resurrected where you are, there must be a harmonious, peaceful, and relaxed forcefield anchored in the four lower bodies. The *Shekhinah Pillar* is a Dispensation from the *Entire Spirit of the Brotherhood of Light*. It is a collective Gift of the Gods for the Golden Age. Through this Action, the collective consciousness of the Brotherhood of Light can respond to the calls of enlightened lifestreams who will open a Pillar of God Light that starts where you stand on the Earth and goes all the way to the Heart of the Great Central Sun. In the Office of your Holy Christ Presence you can call forth Fire from Heaven, invoking it in the name of God I AM. The action within the *Shekhinah Pillar* will go on so long as the outer priest or priestess invokes it, each time increasing in strength and power.

Receive the Momentum of God

Alpha & Omega — April 3, 2016

Alpha and Omega pour forth the Fullness of the Mother Light that you are to embody in all of your affairs. Be attentive to the Flame of God so that as you discover a momentum not in keeping with the covenant of your Heart Flame with Alpha and Omega, you will put it straightaway into the Violet Flame. The Pattern of God Identity established throughout the Hierarchy of the *Shekhinah Pillar* is meant to carry the Divine Outpouring of Alpha and Omega. The Light that streams forth from the Activity and Action of the *Shekhinah Pillar* each time it is drawn to the fore of your consciousness will send forth a Beacon of Light throughout the Earth that will begin to turn the tide and establish momentums of Purity in the Earth. This is the work of many ages, a holy and sacred trust given to you.

Crystal Chalice Jubilee

Below are general guidelines for installing the audio files on your computer or mobile device. Please feel free to contact us at 520-751-2039 or broadcast@thetemple.ws if you have any questions. You can find updated instructions on The Temple's website on the *DVD instructions* web page, which you can access from the *Helicon Broadcasting* menu.

The audio files are stored in a folder on the DVD bearing the name of the Conference or Acropolis, and each audio file has an M4A extension (*filename.m4a*). The M4A format is supported by virtually all music playing software for PCs, Macs, and mobile devices.

PC INSTRUCTIONS:

Windows Media Player

1. Place DVD into CD/DVD drive on computer.
2. Copy the folder containing the audio files from the DVD and paste into the *My Music* folder on your PC. This will automatically add the album to the music library for **Windows Media Player**.

Other Music Applications

If you prefer to use a different music player application, then you will need to perform an additional step to import the files into the application's library. The appropriate action should appear on each application's *File* menu. For example, for **iTunes** select *Add Folder to Library*, for **WinAmp** select *Add media to Library*, for **MusicBee** select *Rescan /Add Files*, and for **MediaMonkey** select *Add/Rescan files to the Library*. In all cases, make sure the album folder in the *My Music* folder is included in the selected folders.

MAC INSTRUCTIONS:

iTunes

1. Place DVD in CD/DVD drive on computer.
2. In **iTunes** menu, go to *Edit > Preferences > Advanced*. Make sure that *Copy file to iTunes Media folder when adding to library* is checked.
3. In *File* menu, select *Add Folder to Library >* select the folder on the DVD.

Other Music Applications

If you prefer to use a different music player application, make sure the application is configured to copy files to its media folder on the hard drive when importing the album from the DVD.

ANDROID INSTRUCTIONS:

1. Insert the DVD into the CD/DVD drive on computer.
2. Make sure the screen is unlocked on the Android device, and connect it to a PC using a USB cable.
3. In Windows Explorer on the PC, the Android device will be visible. Browse to the Android *Music* folder.
4. Copy the album folder and paste into the Android *Music* folder.
 - a. If you see a prompt, *Do you want to convert ... before it's copied to your device?* click on *No, just copy*. Otherwise the files will be converted to MP3 files, which will be slightly lower quality than the original M4A files. The M4A files should play properly on your Android.

iOS (iPHONE, iPAD, AND IPOD TOUCH) INSTRUCTIONS:

Third Party Utility Program

We recommend using a third party utility that allows you to selectively transfer files from a PC or Mac to an iOS device.

There are a number of such utilities. For the PC, we have found that **CopyTrans Manager** works well. It is a free Windows application available at: <http://www.copytrans.net/copytransmanager.php>.

Once the application is installed, these are the steps to transfer the album:

1. Place DVD into the CD/DVD drive on computer.
2. Connect the iOS device to your PC with the USB cable.
3. In the PC Start Menu, click on *CopyTrans Control Center > CopyTrans Manager > Start > +Add*. The *Add tracks to library* window should appear.
4. Select the album folder and click on *Add*.
5. After it has finished adding the files, click on the *Update* button. This will transfer the files to the device.

iTUNES

An alternative approach is to import the album into iTunes on your PC or Mac, and then sync the iOS device with iTunes on the computer. Be aware, however, that this will erase all media files on the device that are not found in the iTunes library on the computer.
