FIAT LUX!

The Elemental Force of Fohat

Freedom Conclave 2023

You Can Express Love's Fohat **Discourse — June 28, 2023**

The keynote Thoughtform of this Conclave is captured in the image of an Akashic Crystal White Fire Eagle as an expression of the Conscious Cosmic Christ Command: *Fiat Lux!* “*Let there be Light!*” The first of the Five Secret Rays, it is the Life Force of Akasha, the Fohat of Love’s Lightning. As an expression of the totality of All of God, Love goes forth from the Heart of your Presence and the Power of Fohat spills over and out of the Great Central Sun. The underlying premise of this cycle is to draw your attention to more of the Powers of your own Beloved Mighty I AM Presence for the necessary purification and re-acceleration of your bodies. The Ascended Masters will work with you to produce an elevation of your consciousness through the Christ Presence, the Causal Presence, and the Electronic Body so that you will be able to have an almost instantaneous response to your calls when the right conditions have been established in your life. Love’s Fohat will be entrusted to your lifestream when you master your four lower bodies. You will feel it intuitively as your God Control builds and you feel the lightning-like Fohat permeate and saturate your forcefield and respond to your calls.

Invoke the Charge of Light of your Presence

The Maha Chohan — June 28, 2023

As your own God Presence releases the Fohat of the Mind of God, this Charge of Light allows the Altar of your Heart to be a foundation upon which your God Presence can take God Command with the Christ Light. The unfolding of the Heart Flame prepares the Chalice so at the appointed hour of need you will have that greater Momentum come forth on the instant. This can only occur when you have disciplined your vehicles so you can receive the Divine Truth of Illumination. When you have the Peace and Harmony of God within your consciousness, your Threefold Flame can enter into its rightful Dominion. That Divine Memory etched upon the screen of your life in Akasha, builds a glorious Coil of Light carrying your vehicles into the expressions of the Most High. These moments in time in the Charge of the Light of your Presence are the stepping stones to your Ascension. Your Presence desires to build these Divine Momentums of Christhood. The Maha Chohan charges you with the Responsibility to make each event of this Conclave a new opportunity to build your Momentum and Charge of Light to transform your life in the fulfillment of God Love!

You Are the Firstborn of The Great I AM

Discourse — June 29, 2023

Come as we celebrate the restoration of your Divine Birthright as the Firstborn of The Great I AM! Understand that you now have a more powerful way of working toward change by releasing Currents of Electronic Light, the Fohat of Love's Lightning, as well as Rays of Light. The Ascended Masters often portrayed the relationship of each Individual Presence to the Most High in their literary works, giving us examples of how the Attributes and Powers of this Fohat can manifest in action. Your Mighty I AM Presence stands in the Great Central Sun commanding this Lightning to go forth. When you are faced with a challenging

situation, forge your connection with your Electronic Body, gaze into the face of your Presence, and give the call. See the Rays of Light and Currents of Liquid Light Substance flowing back down to completely fill in the outer appearance with a Dazzling White Fire as you take charge as a Firstborn Son or Daughter of The Great I AM.

Call Forth the Solar Devas to Fulfill Your Fiery Destiny!
Zarathustra — June 29, 2023

The Ruby Fire of your own Heart Flame can establish a Chalice through which the Solar Devas will establish their Momentums. As you begin to understand how to issue the Command that calls upon the *Fiat Lux* of your Presence to bring about Patterns of God Reality, you will connect with a glorious Body of God Consciousness that will bring about the Fullness of God Good for the entire Earth! In order to instruct you in how to make the best use of the Oriflamme Chalice, Zarathustra stands in its midst, calling upon the Solar Devas to enter into your affairs and the affairs of the world. Daily you are filled with the Charge and Vibration of the Light of the Christ. Through your practice and discipline, you have the opportunity to clear the way for the many to adopt High Ideals in their outer vehicles as they begin to excel in vibration. As you gain Mastery and Attainment, you need not go outside of yourself to find solutions to the situations of life — for all Divine Direction is given forth by the Mind of God within.

Your Presence Wields the Power of Fohat
Discourse — June 29, 2023

Your Mighty I AM Presence is the Lord of the Lightning in Command of the Fohat of Love. These are the Liquid Light Currents which exist in the Nirvanic Plane and in your Electronic Body. All this potential can be triggered and released in an instant into any outer appearance that is less than Perfection. It is the

Office of each one's Mighty I AM Presence to perform the ultimate Service of projecting the Ascension Coil from the Electronic Body to accelerate the vehicles from below. As Living Lightning, it goes into a Fiery Whirlwind Action that latches onto every atom, cell, and electron of all of your bodies and transforms them into the same Energy and Vibration as the Electronic Body. Our service to the world is to elevate this awareness of the unique Identity of every Electronic Body and hold that up as the best Good that all of mankind on Earth can aspire to realize for themselves. The Omnipotence of your Presence as the Firstborn of The Great I AM gives it the ultimate Power and Authority over not only the created Universe, but also over the Great Central Sun.

Seize the Opportunity of Your Own Coming-To-Be

Discourse — June 30, 2023

You are the outpost of your own Mighty I AM Presence. Right now, as you breathe in and out, your Presence is Coming-To-Be along the River of Life that is your own Crystal Cord. You have the golden opportunity to engage with your Presence in the co-creative process, creating and re-creating not only Purification and Transmutation, but Regeneration, Resurrection, and ultimately, the Ascension. Through your Calls and your Devotions, the Light is being consciously magnetized around you, and the Radiation of that Light is beginning to fill your world and expand within every cell of your four lower bodies. You can have an unbroken, sustained Momentum of this Light flowing from your Presence. This can happen because you conserve that Light, and you are meticulously mindful of where your thoughts are allowed to fixate, where your emotions are allowed to fixate, and you hold in check the appetites of your physical body. Focus upon the Perfection of your Presence coming forth and hold that Light as the *Fiat Lux* flowing forth into your realm of creativity, flushing out unreality. Your outer self and your inner God Presence can reunite to become One in the overshadowing of your Holy Christ Presence!

If You Were an Elohim, What Would You Command?

Elohim Surya — June 30, 2023

Surya asks you a series of questions pertaining to what you might do as a practicing Elohim. For example, He asks: “What would you command? What would you call forth? What other God Qualities might you desire?” As He himself answers each question, He provides you with in-depth Instruction on increasing your Mastery and Attainment. Surya reminds you of all that you have available — your I AM Presence, the *Entire Spirit of the Brotherhood of Light*, the Great Central Sun, the great Currents of Okeanos, the Golden Helicon, the Violet Flame River, and the Emerald Ray streaming forth in the Divine Matrix by Cyclopea’s Vision. You also have the Freedom to invoke the Light of your Presence and to be aided by the Ascended and Cosmic Beings, especially the Elohim, to change the course of your life and the course of nations — and to manifest a Golden Age! Fulfill the Law of Octaves by elevating your consciousness into your Causal Body Presence. Remember God’s Sons and Daughters in your Calls. The Golden Age is on its way, and you can assist! Have God Joy, for you can be charged with the Light, Fire, and Momentum of God! The Light of God never fails! Believe it!

The Action of the Solar Devas

Discourse — June 30, 2023

The Great Solar Devas embody the Elemental Forces of Fohat, the highest of the Secret Rays and the first Life Force that subsequently branches out into the others. In giving the Decree *I AM the Violet Flame*, you have already been invoking the intercession of these Solar Devas in their action as the Elementals of this primal, all-encompassing Force of God Love that can create and un-create, especially in dissolving discord. While the Violet, the Mercy, and the Electric Purple-Blue Flames are variations of this All-Consuming Flame of Love, the most intense of all is the Fohatic Action of the Mighty Maxin Flame as invoked in the Decree.

This is the action of the Solar Devas coming into manifestation. Each cell of their bodies is a roaring furnace exploding with the super solar force of the Sun-Behind-the-Sun as vitality that was stepped down from the Higher Realms of the Nirvanic World and of the Great Central Sun. Remember that your I AM Presence is the Lord of these Solar Devas. Call to Elohim Surya, Kronos, and Rheia, and to the Elemental Hierarchs Zeus and Tara, because they work with the Solar Devas and can send them into your world.

Love Is the Force that Both Creates and Disintegrates
Discourse — July 1, 2023

Because Love comes forth first, the underpinnings of all of creation and creativity are due to the Power of Love, executed by the Elemental Force of Fohat. Fohat in its most intense energy is part of the superior outpouring of Love spilling over, flowing into, and affecting Life and Light. Fohat is a living force engendered by Will. The Force of Fohat is a dual action that can both create and un-create. By your issuing of *The Constant Conscious Cosmic Christ Command*, the primal Monad of Love can be unfolded and sent forth to perform Service. You assign that Love what it is to accomplish by giving it the thoughtform of the outcome that you wish to achieve — its end result as a blessing to life. The expression of Fohat can supersede the outer Laws of Nature, making this Power of Fohat greater than all other powers in Nature. Remember that your I AM Presence can transcend these Laws of Nature for you in relation to your Divine Plan and bring things into physical manifestation in answer to your Calls.

True Liberty Is Attainable for You
Saint Germain — July 1, 2023

Saint Germain instructs you on Liberty, on Freedom, and on what is truly available to you as you become the Christ. He reveals how glorious it is to see the Victories of your accomplishments

that result from your Initiations and cycles. Write down and record these Victories for yourself. True Liberty is attainable, and every moment is an opportunity to overcome some limitation! If Freedom is not present in your life, if you are not emanating the Liberty to express your True Identity, then daily scrutinize what is holding your attention. Discipline your vehicles to chart your Divine Destiny in Purity, absorb the God Qualities from your Presence, and allow the Christ Virtues to be your guiding principles. Keep the Guard Consciousness! You must protect Freedom's Flame. When you invoke the Violet Flame and Ruby Fire, remember to call for the transmutation of existing records that would keep you and future generations from understanding the Truth of Identity as the I AM Presence. Hold the guiding principles of the Manus inviolate upon your Heart. Express the Truth of your Identity as the I AM Presence in all your affairs! Stand in the Flame, be the Flame, and exhibit that Flame!

The Action of Divine Love
Discourse — July 2, 2023

This week we are working on the God Control of Love's Lightning, the in-breath action of the Maxin Flame focused by the Solar Devas. You can best appreciate these actions by rising into the Buddhist Realm where the I AM pulsation of your Heart envelopes the totality of that Plane. There you can observe the interaction of the Sun-Behind-the-Sun with the Earth as it engenders a great Ocean Stream flow into the Earth. Envision this Ocean Stream branching out and continually diversifying, reaching into and giving life to every cell of the physical body. Then in answer to your calls, the Action of the Solar Devas can be amplified and multiplied, initiating God in Action as an Activity of Love that finds a way to accomplish its purpose.

The Divine Service of the Ruby Fire
Elohim Rheia — July 2, 2023

All that you require naturally flows forth from The One as God Love. The harnessing of that Love is the Mastery of the Threefold Action of the Heart, exercised by the Ruby Fire, which you must draw into a single focus of Divine Intent to dissipate all substance of human creation. It will be gone as though it never existed, for indeed it does not exist when the Flame of God is present. Purify your consciousness to allow the Mind of God to be present, to hold to the Purity and Perfection that will bring about God Good. Then you will understand how magnificent is the Opportunity to be in incarnation wearing the Christ Garments of Light and fulfilling the Fiery Destiny of your own Mighty I AM Presence! You can become a *living Christ example*—the Fullness of the Perfection and Love, Light and Momentum of God, anchoring a Momentum fueled by your own God Presence, assisted by the Momentum of every Ascended and Cosmic Being as the Allness of God pouring forth.

The Coming-to-Be Golden Age of Ascended Master Light

Acropolis Sophia

***We Are Here to Assist You in Bringing Forth
Patterns of God Good
Goddess of Liberty — July 4, 2023***

You are not removed from the Activity you have called forth. At your command, the Rays of Light go forth, your Mighty I AM Presence holds the Charge and Momentum of the God Quality being established, and the Threefold Flame of your Heart pours that same Momentum into your own outer vehicles. Within your own consciousness of the Mind of God, Patterns of Purity and Perfection begin to play out in your daily life. Because you had the presence of mind to call forth a particular Momentum to bless some part of life, you discover you too have been greatly blessed by that Momentum. And all who serve God in Life who possess a gift to benefit what you have called forth will rush to assist you, especially when your call includes every Son and Daughter of God and those at inner levels waiting to re-embodiment to complete their work.

Live Life for the Love of God

El Morya — July 7, 2023

Cosmic Law is impersonal to the highest degree, but the Divine Plan for your lifestream is individualized for you by your own Mighty I AM Presence. The Will of God for your destiny will always be unique, for you carry the historical record of the lives you have lived, good and bad. You are in the process of both transmuting negative karma and bringing forth God Good. Having studied at Acropolis Sophia, you have a memory of the Light flowing forth from Ascended and Cosmic Beings to draw upon to bring forth that God Good. There is no intercessor between you and your Mighty I AM Presence in the communion with the Threefold Flame of your Heart. Any assistance by an Ascended or Cosmic Being is at the behest of and in conjunction with your Mighty I AM Presence. Nothing occurs in your life without the awareness of your God Presence!

The Tone of Love

Discourse — July 9, 2023

Fohat is the expression of the outpouring of the Divine Love that comes forth from the Heart of the Great Central Sun. It is an expression of God Love that fills the mental, emotional, and etheric bodies, affording them more God Control. Primal Being in the Great Central Sun is the highest frequency of Love, known as the Tone of Love, which engenders all lesser frequencies and expressions. Thus, the Action of Love is All-Consuming, ultimately merging everything back into the Primal Being from which it originally flowed forth. As you expand your consciousness and make room for God in understanding who you are, you will be preparing your chalice to receive and release this Lightning Love of God in Action.

Commune with My Flame!

Zeus — July 9, 2023

There must be Constancy within your world to build the foundation from which to leap in consciousness on the instant into Akasha! When you have sufficient Purity and allow the Vibration of God to come forth, anchoring more of your Mighty I AM Presence, your Presence can fill your chalice with all you have dreamed would come forth in your life. Really and truly your Mighty I AM Presence charts your Destiny, producing the Momentums and Vibrations you have establish. You will have many Victories, for every erg of energy you charge with the Love of God will victoriously anchor the Love of your Mighty I AM Presence in your world. When your Presence desires to bring forth a mode of God Identity through your vehicles, it issues forth from your Presence as **Fiat Lux** and flows forth upon the Fohat issued by your Presence. You too have the ability to call forth **Fiat Lux** and establish a Momentum of Coming-to-Be your Presence deems necessary.

Carry the Tone of the Music of the Spheres into the Earth **Goddess of Music — July 16, 2023**

Establishing Peace and Harmony within your emotional body allows your mental, physical, and memory bodies to maintain the Divine Flow of the Energy of God so all within you flows with the full rhythmic outpouring of the Mighty I AM Presence. In the Realm of Akasha, the Light of God is translated into an Intonation and Vibration that reverberates in your lower bodies as a keynote expression of the Great Central Sun, your Presence, or an Ascended Master. These tones play upon the cells of your physical body and allow you to ride their current into the Heart of an Ascended Master or your Presence. Your Harmony and Love for God must be firmly maintained in each plane of consciousness for your Presence to establish the Tone it desires, for it to send forth the Music of the Spheres intended to uplift the consciousness of the masses into God Reality.
