# THE HELICON SOLAR SHIELD

**Freedom Conclave 2020**

## ***The Importance of Invoking Divine Protection*** **Discourse — July 1, 2020**

This Discourse introduces the main topic of this Conclave: the Helicon Solar Shield, which is being brought forth for all the Sons and Daughters of God to protect the Christ Light, those little ones whom Jesus spoke of during His Mission, and to prevent the Anointed Representatives<sup>®</sup>, the students, the Ascended Masters' Work, the Golden Age, and America from being interfered with. Since Saint Germain brought forth the Ascended Master Teachings in the 20th century, the Cosmic Light has built to a great intensity, giving its forward impulse to humanity. And we are blessed beyond measure for the Radiance of the Shekhinah Pillar<sup>®</sup>, which has brought mankind to a greater opportunity to realize their Christhood. This is a time when persistent, malevolent forces need to be arrested. This Discourse brings clarification regarding the nuances of karma and elucidates the ability of the Lords of Karma to wisely adjudicate very complex karmic conditions and where necessary to arrest those who have destructive intent. How is this accomplished? Through the action of the highest force called Love.

## ***You are First and Foremost the Heart Flame of God***

**Sanat Kumara — July 1, 2020**

You are being given the Cosmic Remedy of the Helicon Solar Shield, and during this most important event, Sanat Kumara draws your attention to your True Identity. You have the opportunity to dispel false ideas that you are not enough, that you don't have enough clarity, Light or strength and so on. You are invited to embrace the fact that you are the Heart Flame of God, established on the Altar of your Heart by the Mighty I AM Presence and, as such, you are part of the Allness of God. That is a gift of The One! It is the gift of Freedom to be and express the Consciousness of the Mind of God, to draw forth all that is Good, Beautiful, and Divine! Your Responsibility is to build your momentum daily in expressing the Divine Intent your Presence has charged you to fulfill. Your Heart Flame requires the protection of this Cosmic Remedy, the Helicon Solar Shield. As you become victorious in its use, establishing its spinning action on your chakras, you will be carried into the Fullness of the Fiery Sun of your God Identity.

## ***The Principle of Divine Justice***

**Discourse — July 2, 2020**

The Ascended Masters wish you to fully understand the action of the Helicon Solar Shield, so as a body of Torch Bearers you can put your full commitment behind your calls. With the recitation of the marvelous lines from the story of Arjuna as he faces off in battle against his own family, the need for bringing forth Divine Justice without any human sympathy is illustrated. It is time to rise in consciousness into the greater Vision held within the Mind of God for America and for the entire Earth. Love has to be balanced with Divine Intelligence. The Karmic Board and

your own Holy Christ Presence see the greater Vision for mankind, so you can rely on them to be the Directing Intelligence as you make your calls to the Light of Ten Thousand Suns. Saint Germain said that an awakened individual never uses a destructive force and also that the Sons and Daughters of God have the right to protect themselves. The Helicon Solar Shield provides that Protection and Justice, under the Aegis of the Karmic Board.

***The Karmic Board is Responsible for the Final Justice  
That Goes Forth***

**Portia — July 2, 2020**

Beloved Portia explains in detail the need for the calls by the students of the Light for the Protection of the Sons and Daughters of God, the lifting of karma and arresting of the spirals of negativity, so that the Mighty I AM Presence can once more engage in life and bring about the multiplication of God. Through your calls you can make an immense difference in the lives of individuals and families, for example, providing them Protection or the ability to keep their family together in love and harmony. In particular, Portia sends out the plea for your calls to protect the children. Devote yourselves to the Violet Flame River and the Helicon Solar Shield with Constancy. Dispensations and karmic mitigations can only be given when they are honored and the recipients are dependable, faithful, and trustworthy. Do not hesitate! As you stand, remaining in your Pure Holy Christ Consciousness, be aware that it is the Lords of Karma that always know the perfect action and solution in every situation. Let your consciousness soar and the many Sons and Daughters of God across the Earth will receive the Freedom they deserve and have been crying out for day and night.

## ***The Action of the Helicon Solar Shield***

**Discourse — July 2, 2020**

It is essential to understand the mechanisms used by those who hate the Christ Light and how you can protect yourself with the Helicon Solar Shield, placing it over your chakras and over others. There are those who seek to usurp the Light of the Holy Innocents, but this can only occur if one is off balance. This is often caused by triggers in your memory body that tie into past records. However, with the outer counterclockwise spinning action of the Helicon Solar Shield, you can cut away those ties within your world that you have unwittingly created in the past. Have compassion for everyone currently standing for the Light of the Christ, for mothers and the unborn, for the institutions of the freedom-loving nations of the world that are under assault. When reports of these things come to your attention, you can call on the Helicon Solar Shield to protect the innocent lifestreams involved. Doing this while holding your attention on their Glorious Mighty I AM Presence, you will have done your part and can turn the situation over to the Mighty I AM Presence and the Lords of Karma.

## ***The Law of Love***

**Nada — July 2, 2020**

The Great Magnet and Law of God Love allows the knitting together of every Individualization of God, be they an unascended, Ascended, or Cosmic Being. To truly activate this Law, you require vehicles of consciousness that are prepared with the Peace of the Buddha, the Harmony of God Love, the Purity of the Mother Light, and the Blue Flame of the Will of God. You draw forth the Emerald Ray to have the precision of Perfection. The Law of Love insists that the communion between your Heart Flame and the Mind of God be rock-solid. It is not a trickle charge

of Light, just enough to sustain your vehicles, but the full onrush from your Mighty I AM Presence. When you extend Love to the Heart of God, you understand what it means to sacrifice all and enter into the service of God in life. Draw upon God Love wisely and unconditionally, so no negativity can ever be returned to you as a result of your sacrifice. This foundation of unconditional God Love is essential when using the Helicon Solar Shield.

### ***Cyclopea's Service Regarding the Akashic Records of the Future***

**Discourse — July 3, 2020**

With its spinning motion, the Helicon Solar Shield returns destructivity back upon those who create it. There are some examples in ancient cultures of the Helicon Solar Shield, though they did not have the full understanding of it as it is being revealed now through The Temple of The Presence. When possessed by Zeus, the Helicon Solar Shield was a shield of protection used in battle called the “Aegis.” In the Bhagavad Gita, Krishna knew it as the “sun disc” or the “Sudarshan Chakra.” The Limitless Light of the Individualization of God The One that is your own Mighty I AM Presence can pour forth the Light of Ten Thousand Suns through the Solar Shield. The combined Wisdom of the seven members of the Karmic Board will determine how this action will uniquely manifest in each situation. The Service that Cyclopea brings to the Karmic Board through the Action of the All-Seeing-Eye involves a vast spherical awareness, not only of what is occurring at the present moment in this world, but also of all that has occurred previously — plus all of the foreshadowing, the so-called akashic records of the future, that are there on the screen but not set in stone.

***Hold the Vision and Call Forth the Helicon Solar Shield  
Cyclopea — July 3, 2020***

Cyclopea stresses how important it is for you to stand in the Holy of Holies as the priest or priestess of the Sacred Fire and know who you are! This is the cycle! This is the time! And this is when you must have the Vision for the Earth and for America. For America requires the Vision of an Opportunity to realize the Golden Age! History shows that a contagion of negativity can sweep through the land in short order to wipe away a very wonderful civilization and culture. But you can arc your consciousness, your Heart Flame, and your Presence with the Light present upon the Altar at The Temple, so that no matter the circumstances occurring where you are, you can be a Pillar of Fire! And that Pillar of Fire will go before you to address every circumstance that arises, including your Protection and the Protection of those around you! Cyclopea instructs you on visualizing, multiplying, and magnifying the Helicon Solar Shield to protect your lifestream, your family, your country — the entire world! Cyclopea will assist you in imparting the Vision when necessary and augmenting your Call with the Direction and the Momentum that is needed.

***Sow a Culture in the Land that Upholds Cosmic Law  
Pallas Athena — July 3, 2020***

Pallas Athena commends you to sow a new culture in the land that upholds the Truth of Cosmic Law® and bears the Fruit of God Good. She reveals how to establish a lasting Golden Age; why she is on the Karmic Board; what allows the Abundant Life of God Consciousness to pervade your life; what builds the foundation of your Christhood; what knits together people of all lands; why America came forth; what brings Life, God Consciousness, and Holiness to the land; and what builds a culture that is the Divine Momentum of God in manifestation! As you stand before your altar

pouring out your Heart to God, God is pouring out His Heart to you to assist you to manifest the true culture. You have one allegiance only and that is to God! Recognize that you are the Christ daily, for Constancy is required. Your Responsibility is to invoke the Light to protect family, home, country, and the Earth. But, most importantly, to protect God in the land! Pallas Athena knows the thousands you have already assisted by the many Calls you have made and the hundreds of thousands you will protect and assist by invoking the Helicon Solar Shield!

### ***Torch Bearer Meeting & Visualizing the Impenetrable Shekhinah Pillar Walls of Light***

**Torch Bearer Meeting — July 4, 2020**

During this Torch Bearer meeting, the publication of two new DVD albums was announced, plus the first three offerings in the new *Golden Gifts* series of pocket books of Ascended Master Dictations. The mailing for the next installment of the fundraising campaign for the completion of Acropolis Pavilion and the retirement of more of The Temple's debt was postponed, due to the restrictions and uncertainty of the current world conditions. But this will be sent out. Keep up the calls for the ideal outpicturing of all the facets needed for Acropolis Pavilion. Discussed next was Saint Germain's two disguised Fourth of July appearances at Independence Hall, leading to the story of George Washington's Vision. Through the Wisdom of the Karmic Board, the Cosmic Light will be released through the Helicon Solar Shield and integrated into the Shekhinah Pillar to manifest the action that is needed for America to pass through the eye of the needle and to Keep the Sapphire Dream Alive. A visualization of the Shekhinah Pillar as a perimeter Wall of Light and Protection along the borders of the United States, over Washington, D.C., and over all 50 state capitols is presented in detail.

***Decree Wisely, Purposefully, Consciously, and Fervently!***  
**Saint Germain — July 4, 2020**

Saint Germain teaches you how to approach your altar. Give your Calls fervently! Have the Fire that is represented in the Torch that you bear as a Torch Bearer of The Temple! Establish a connection with your Heart Flame. Have a conscious momentum of striving. Thrust forward your God Determination! Connect with the Will of God, the Purity of God, and the White Fire that galvanizes within your spinal altar. Activate the Vision entrusted to you by Cyclopea. Visualize your Calls and focus upon each detail of the words. Have an expectation that the Truth of Cosmic Law will manifest. Learn how to receive the promptings of your Presence through the Mind of God. If you are shown something, make the Call on the instant! Do not procrastinate! And always remember to expand that Call! Know that your Call is for the Golden Age, for the Golden Age of One multiplies. Saint Germain asks you to give the Calls to the Shekhinah Pillar, to the Violet Flame River, to the Golden Helicon River, and to the Helicon Solar Shield to have negativity consumed and the Golden Age dawn. Uphold the Flame of God that you are!

***No One Stands in the Place of God***  
**Discourse — July 4, 2020**

The Wisdom of the Ascended Masters is that they view life through the lens of the Great Central Sun, down to and including the earth plane. The Karmic Board always makes their deliberations from the standpoint of the impersonal Law of The One. The final authority for every lifestream is their Individual Mighty I AM Presence. No one person or group, be they ascended or unascended, is in the place of God. If you wish to help or rescue

someone, there is so much that can be done by making the Calls to the Mighty I AM Presence of that individual, day after day. But you must release your sense of personal involvement at the horizontal level in their outer self. Love the Divine Spark of their Heart Flame. Call to their True Identity, their Mighty I AM Presence, and entrust that lifestream over to their I AM Presence, allowing the Law to answer your Call. It is important for parents to know and to feel that their children are at all times governed by the perfect intelligence of God — each child's own Mighty I AM Presence.

### ***You Are Being Called to Stand as a Flame of God***

**Kwan Yin — July 4, 2020**

It is by the Mercy of God that many Sons and Daughters of God have come to recognize they have the Flame of God upon the Altar of their Heart. They have not listened to the lie that they are not worthy, but have recognized they are loved, cared for, and nurtured as they come into their own awakening of the Presence of God. It takes great momentum for the Sons and Daughters of God to recognize the Presence of God. That is why the Karmic Board takes such time and attention to weigh in on your petitions, your need of the hour. The Mercy Flame of Kwan Yin looks upon not only one lifestream, but nations of lifestreams and recognizes the cries of those who desire to be lifted out of the negative spirals that entrap them. She will not refuse those who call to her Flame. She will stand by them steadfastly through all of the initiations required and advocate for the mitigation of their karma if possible. And she will bring the Comfort Flame to assist so that there can be a holding on until the opportunity is extended.

***You Are Under the Protection of the Helicon Solar Shield***  
**Discourse — July 5, 2020**

In calling forth the Helicon Solar Shield, you are acting under the Aegis of the Karmic Board, which means you are under their Protection. This Protection is offered for your personal and World Service. You can visualize the Helicon Solar Shield a little larger than your physical body. It will be a Shield for your Harmony and Purity. As you practice using it, you can see it coming out of the Heart of your Presence and overshadowing conditions in the world. Once a condition is known, all you need to do is make the call and the action will be sustained by your Presence and the Lords of Karma. This allows you to fulfill the Teaching that you should always visualize God in Action, rather than feeding into appearances. The Power of the Helicon Solar Shield is immense. The clockwise and counterclockwise action of the Helicon Solar Shield are revealed so you can invoke them for yourself and the innocent who need Protection.

***Protect the Will of God for Your Life***  
**Great Divine Director — July 5, 2020**

Do you hear the Voice of God issuing the God Direction of the Will that is for you? That is what the Great Divine Director trumpets forth, and this is the Attainment you are to accomplish. Fulfilling the Will of God is first and foremost the priority of life. For when you have the Fullness of the Will of God issuing forth through your vehicles of consciousness, all the priorities in your life begin to fall into place in Divine Order. You must accelerate momentum upon momentum within your life in order to fulfill that Destiny your Mighty I AM Presence has determined for you. You must have not only a listening ear, but a discerning ear to

understand all that you are to accomplish. You might initially not understand what is happening in your life, but in time everything will fall into place.

***You Hold the Key to the Protection of the Earth  
and All Thereon***

**Goddess of Liberty — July 5, 2020**

The Momentum of Light required for you to fulfill your Divine Plan in this lifetime is available to you if you will call it forth and make room for it in your life. Releasing the Light of Ten Thousand Suns will be an annual focus of our July Conclave event so you will understand you are not alone. Protect your opportunity! Protect your Heart Flame! Protect the Heart Flames of the many! Be of good cheer! You have the key to the Golden Age. You have been given a Responsibility and have the Attainment to establish this Momentum. And you have the support of the Karmic Board to assist you, as well as every Ascended and Cosmic Being, the Archangels and their Legions. This planet Earth is full of life and is ready to receive the Light of God to bring it into alignment with the Cosmic Law of God. Fulfill the Divine Will of God and protect the Earth and all thereon.

***The Outpouring of the Light of Ten Thousand Suns***

**Discourse — July 12, 2020**

Our goal is to enter into the innermost vestibule of the Great Central Sun where pure Existence, the totality of Love, and pure Being are experienced. It is this action we are calling forth into the world as the Outpouring of the Light of Ten Thousand Suns. At this highest level, there is an action of elemental life going forth from the Outpouring of Light. This will always go forth under

the strict God Command of the Mighty I AM Presence and the Ascended Masters. When an Individualization sends forth Love into all outer activities impersonally, that one can command what they will, and the request will always be fulfilled. Divine Love is an invincible armor of Protection against all disturbing activity. That is the action of the Helicon Solar Shield, sending forth the totality of the Allness of God from the Great Central Sun charged with Ascended Master Love and Light and hallowing space everywhere, impersonally and in totality. It is the operation of the Law of The One.

### ***The Light of God Is Present in the Land***

**Alpha — July 12, 2020**

The laws of the land must begin to reflect the Law of God. For as Cosmic Law streams forth, it will demand an alignment of every vestige of life. And where that does not take place, there will be a dissolution of that which does not align with Cosmic Law. That is the Necessity of Law issuing forth from The One. It is no respecter of persons. That is why your own individual karma must be balanced for you to enter into the Victory of the August Estate of being an Ascended Master. That is why you go through the rigors of accelerating your vehicles of consciousness even now to be able to wear the Garment of Light of the Christ and to stand as a Pillar of Fire before your altar invoking the very Pure Light of God and sending it forth to fulfill its Fiery Destiny. Perhaps some think Alpha and Omega are not aware of all that is going on in the Earth. But you can be sure they most definitely are aware and send their Cosmic Light for the Victory of the Golden Age.
