Descend, descend, descend into Earth in such Dazzling Splendor and Power that all absorb Thy Beauty and Perfection! Thou art All-in-All, Thou Infinite **I AM Presence** of Eternal Blazing Light! Thou art the full and only Authority for all mankind throughout the Earth forever! Reveal Thyself everywhere! Bring to pass the Eternal Victories of the ages! Let every human being on Earth see and feel the Almightyness of Thy Light in such an onrush of Thy Glorious **Presence** that all become the Fullness of Thyself, Thy Joy, Thy Freedom, and Thy Love forever.

Thou Beloved Shadowless Light of the **Mighty I AM Presence!** Thou art the Great Treasure House of the Universe! Let Thy Limitless Gifts of every Good Thing pour out upon the Earth their Mighty Blessings and Happiness for all mankind, that a Great Song of Praise may burst forth from the heart of humanity in Eternal Gratitude for Thy Splendor poured out to all!

Let Thy Pure Love flow forth from the Heart of the Secret Love Star and drench the Earth with that Golden-Pink Liquid Light that bathes all in Thy Ecstasy and Glory! Let the full Ocean of Thy Supreme Joy overwhelm this world and make of it a Brilliant Sun of Everlasting, All-Powerful, Limitless Light that casts no shadow and in which only the Blazing Glory of Thy Absolute God Perfection can forever dwell.

Thou Adorable **Presence** of All-Pervading Infinite Light from out the **Great Central Sun**, we call unto Thee to bless us with the FULLNESS of Thyself and hold us safely within Thy Mighty Diamond Heart forever.

We love Thee, we adore Thee, we bless Thee, we accept Thee, we acknowledge Thee, we feel Thee, we praise Thee, we worship Thee, Thou **Mighty I AM Presence!** — the Eternal All-Enfolding Light! The Light of God that never, never, never fails! **I AM** that Light, now and forever!

Tube of Light

Beloved Mighty I AM Presence! Enfold me now in Thy Mighty, Magic, Electronic Pillar of Ascended Master Light Substance! Make it so Powerful that no human creation can pass through. Within this Mighty Tube of Light, blaze Thy Violet Transmuting Flame in, through, and around my four lower bodies and consume everything less than Thy Perfection.

In its place, charge my world and all I contact with the Ascended Master Consciousness and with the Substance and Consciousness of each one of the Ascended Masters' Living **Presence** and Activity. See that this Light keeps me invisible, invincible, and invulnerable to everything but Thy Almighty **Presence** and infinitely sensitive to Thee and Thy Divine Perfection. (3x)

Archangel Michael

Mighty I AM Presence! Beloved Archangel Michael and Faith, Mighty Elohim Hercules, Beloved Sanatka, El Morya, the Goddess of Light, Beloved Lanello, Mighty Elohim Purity and Astrea, I call for the full-gathered Momentum of the Blue Lightning of God's Holy Will, the Cosmic Circle and Sword of Blue Flame of Beloved Mighty Astrea, the Diamond Sword Excalibur, and the Sword of Archangel Michael and his Legions. Bring forth Almighty Protection, Divine Intercession, and God Direction in answer to this my Call:

Christos that I AM, I Summon Thee!
Michael, Great Archangel,
Descend at my Decree!
Adorn me with the Garments of my Immortality.

Hail! Great Legions of the Prince of Blue.
This marks the hour of battle twixt Light and its imposter.
'Tis time to vest Sons and Daughters
In the Whole Armor of the Lord.

Shield my brow with Salvation's Helmet of God Reality!
Strengthen my resolve with Winged Sandals of Mercury.
Gird me round in Purity's Resplendent Armor Bright
As my best and sure Defense for Right.

Let attending Angels march in solemn convocation
Bearing Faith's Bright Shield and Athena's Mighty Spear.
I myself shall wield Saint Michael's Flaming Sword
In emulation of this Mighty Lord.

Unfurl the Banners!
Sound the Trumpets!
Raise the Cry! Saludem Christos!
Forward! Mighty Legions, into the fray!

Do not cease thy fiery release
Nor quit the field of battle,
Ere every foe is vanquished
And Victory rules the day!

Prince Michael Archangel
And Legions of Light!
I need Thee, come quickly
To banish all fright!

Chorus:

*Blaze thy Blue Lightning! Release Cosmic Fire!
Seize every appearance of human desire!
Bolts of Blue Lightning! Descend from above!
Shatter all darkness opposed to God's Love!
Sword of Blue Flame and Sheets of White Fire!
Raise record and memory higher and higher!*

Saint Michael Archangel,
Great Whirlwind of Power!
Oh, Champion my Cause
With each passing hour!

Lord Michael Archangel,
Great Sword of Blue Flame!
Protect us, Defend us
In God's I AM Name!

Coda:

*Sunder unreality!
Reveal my fiery Destiny!
Defend my Christ Identity!
And Manifest my Victory! (3x)*

Let There Be LIGHT! — By Archangel's Might.
Let There Be FAITH! — In All that is True.
Let There Be POWER! — God Freedom to win.
Let There Be JOY! — God Will to attend.

Now! The Golden River!

Now! All the Godhead Charioteers are on Fire!
To bathe their Spirits in the Virgin Spring.
Now! Rings out Dispensation from the Highest:
Release the Golden River! Stream dauntless Faith! Breathe brightest Hope!
And loose the Boundless Oceans of God's Love.

Now! All ye Gods of Heaven fuse your Light Rays.
Sluice the Substance of the Golden Age to be.
Now! Flood, Resplendent Helicon, anointing all who welcome thee!
And do thou, by thy Streaming, make them One with our Bless'd VICTORY!

Now! Shout the Conscious Cosmic Christ Command!
I AM! I AM! I AM! I AM!
Now! Take Dominion, Golden Light! Bear witness, my Decree:
By Fiat of my Presence, I AM henceforth Master of my Destiny!

Now! Work thy magic, Golden River, and electrify my world!
Perfect my thought. Make glad my heart. Fix word and deed in Peace!
Now! Dawn, Beloved Helicon, and lift my Heart to Daystar's Piercing Sun.
By Heaven's Holy Compact thus compacted, fasten thy Glory here!
Melt the elements with Refiner's Fire, and by thy Solar Breath,
Resurrect each cup and facet of my orbit into Absolute Perfection.

Now! All the Torch Bearers of The Temple cry Affirmation!
Vowed to the Golden Age of Saint Germain!
Now! One and All, we wield thy "Ipse Dixit,"
Boldly to speak, proudly to live, joyfully to embrace thy every Word,
And Fearlessly to stride the upward Path to its very Summit,
Lit by the Sun of thy Never-Failing Presence!

Now! Muses! Fling wide your Helicon! The Mighty Labor is Begun!
Now! All Creation leaps to greet that Golden Presence,
Bows before the Royal Diadem, and unbidden, yields her Bounty.
Now! Vestal Maidens, grace this orphan globe with thy Incandescent Song,
Calling Firstborn Sons to noble concourse with the Gods.

Now! All the Godhead Charioteers shout for Joy!
To see, to taste, to almost touch their long-envisioned Mastery.
Now! No sacrifice too great, no labor too long-suffering. No turning back.
Now! Ever onward, ever upward to Ascension's Crowning Victory!

Now! Wait no more, Eternal Now!
Now! This our Decree!
Now! Is thine only hour!
Now! Light! Now! Life! Now! Love!
Now! Causeless Cause Triumphant!
Now! Time-and-space-less ONE! Here and Now!

Calls for Violet Flame

Beloved Mighty I AM Presence! Thou Supreme Ruler of the Violet Consuming Flame of Ascended Master Love from the Heart of the **Great Central Sun!** Beloved Saint Germain and Portia, Mighty Elohim Arcturus and Victoria, Beloved Archangel Zadkiel and Holy Amethyst, Mighty Ascended Hosts of Light, Mighty Cosmic Beings, **Great Cosmic Light**, and Mighty Lords of the Flame from Venus!

Come Forth! Blaze and charge Thy Lightning of Divine Love in its most powerful, dynamic Activity into my mind, my feeling world, my body, my home, and all my spiritual, personal, financial, business, and legal affairs; and likewise flood the world and affairs of all mankind through these my Calls.

Beloved Mighty I AM Presence!

I AM the Ascended Masters' Eternal, complete, and unconditional Forgiveness and forgetfulness of all human creation — past, present, and future!

Beloved Mighty I AM Presence!

Blaze through me now Thy Consuming Flame of Divine Love and Compassion! Take my human self-concern and all habits, desires, and appetites unworthy of Thy Purity out of me and annihilate them — cause, effect, record, and memory — past, present, and future. Replace them all with the Fullness of Yourself, your Perfect Satisfaction, and hold your full Dominion here forever!

Beloved Mighty I AM Presence! My very own **Christ Presence, Holy Christ Presence** of all mankind, Beloved Cyclopea, and Beloved Saint Germain,

With Thy Divine Intelligence and All-Seeing Eye, search the entire karmic record of this lifetime and of all my past lives. Identify all outstanding karmic debts to any person, place, condition, or thing I have ever wronged at any time. Identify all active karmic conditions returning now for Transmutation, and grant me the full understanding and complete Self-Mastery over their cause and core. **I AM** the Law of Forgiveness! **I AM** the Violet Transmuting Flame blazing through the cause, effect, record, and memory of these conditions and raising them here and now into the Perfection of my **Presence!**

Beloved Mighty I AM Presence!

Reach into the storehouse of my **Causal Body** with your great and loving Arms of Light. Draw forth TEN TIMES more Perfection of Love than was misqualified. Fashion from that Substance the perfect, unique release of the **Sacred Fire** for each one. Send it forth this instant to balance TENFOLD every debt to every part of Life. I thank Thee, and I accept it done this hour in full Power!

Beloved Mighty I AM Presence!

Annihilate all karmic momentums of my past!

Annihilate all doubts, fears, and forces of opposition within my own world and throughout the Earth!

Blaze Thy Violet Lightning of Divine Love through all my spiritual, personal, financial, business, and legal affairs! (3x)

By Thy Authority, I now cast all this human creation — cause, effect, record, and memory — into the Sea of Consuming Fire and eternal forgetfulness, replacing it all by the **Presence** and Eternal Perfection of the **Great I AM**.

Beloved Mighty I AM Presence!

Take possession of the brains, bodies, and consciousness of every individual associated with these affairs. Produce Thy Purity, Thy Perfection, and Thy Protection!

Illumine them all by the Light of Thy Truth and keep that Light forever Self-Sustained in the Eternal Glory and Victory of Thy Love.

In the Name and by the Power, the Activity, and the Authority of the **Mighty Presence** which **I AM**, I speak to my untransmuted karma and to every discordant or limiting condition that would seek to find expression in my life:

Get thee hence, thou powerless human creation! I know thee not! My world is filled to overflowing with nothing less than the Mighty Perfection of my **Mighty I AM Presence** and the Ascended Master Consciousness. I strip from you, foolish appearance, all power to limit me, to harm me, to disturb, or intimidate me ever again. I walk henceforth in the Light of the **Mighty I AM Presence** in which there is no shadow! And **I AM Free! I AM forever Free!**

I AM the Violet Flame

(3x each)

I AM the Radiant, Buoyant, Dancing, Joyous, Cosmic Intensity, Pressure, and Self-Luminous Substance of Thy Mighty Violet Consuming Flame, rushing from beneath my feet to above my head and extending more than nine feet in every direction around me, which refuses to acknowledge any opposing force whatsoever and which annihilates everything undesirable and imperfect throughout my world of activity!

I AM bathed from head to toe in the Roaring, Fiery Furnace of this Consuming Flame of Ascended Master Love!

I AM the Liquid Light of the Violet Flame filling the chalice of my four lower bodies full to overflowing with the Distillation of God's Love and Compassion, emerging this very moment from the Heart of the Great Central Sun!

*I AM this Violet Flame cleansing all impure and unnecessary substance in the cells of my physical body, purifying my bloodstream, and clearing and illumining my entire consciousness to be the perfect expression of my **Mighty I AM Presence** in Action.*

*I AM a Gigantic Pillar of the Violet Consuming Flame! I AM the Majestic **Presence** and Miracle-Working Power of Divine Love that transcends every human concept! I AM the Light of a Thousand Suns blazing to me and through me forever all the Perfection from within Thy Heart!*

I AM the Radiant, Buoyant, Dancing, Joyous, Cosmic Intensity, Pressure, and Self-Luminous Substance of Thy Mighty Violet Consuming Flame, moving across the face of the Earth and standing as Spearpoints of the Mighty Maxin Flame

— Twenty-One Feet Tall and Ten Thousand Strong —

before each and every so-called force of opposition to the Victory of my finances, my health, and my Service to Life, and which annihilates everything undesirable and imperfect throughout my world of activity!

Mighty Arcturus, thou Elohim of God, descend with that Light of a Thousand Suns and Transmute all human selfishness and discord on the Earth now!

*The Light of God never fails! The Light of God never fails! The Light of God never fails! And the **Mighty I AM Presence** is that Light!*

The Limitless Legions of Light now move with Lightning Speed around the whole world, and all human shadows melt away before God's Love!

The Temple Protection and Expansion

The Call to Hierarchy

Beloved Mighty I AM Presence! In the Name of the **Threefold Flame of Love, Wisdom, and Power** blazing now upon the Altar of our Hearts, we sound the trumpet call to arms — arresting the attention of the **Entire Spirit of the Brotherhood of Light**, the Twelve Archangels and panoply of Angelic Hosts, the Limitless Legions of Light, and the full complement of Ascended Masters and Cosmic Beings.

We call to you, Beloved Alpha and Omega, Beloved Nameless One, Beloved Cyclopea and the Twelve Mighty Elohim, Beloved Pallas Athena, Beloved Sanat Kumara and Lady Master Venus, Beloved Sanatka, Sa Ananda, Sa Na Tana, Sujata, Kapila, and Sa Na Kumara, Beloved El Morya, Beloved Saint Germain, Beloved Lord Maha Chohan, and Beloved Mighty Cosmos:

*The Light of God never fails!
And the Mighty I AM Presence is that Light!*

Action of the All-Seeing Eye

Beloved Ascended Hosts: Focus now the full, unmitigated Power of your Christ Discrimination in, through, and around the cause and core of all adverse conditions directed against The Temple of The Presence — your Vanguard Ascended Master Activity — or against Saint Germain's Ten Thousand Torch Bearers, our Beloved Anointed Representatives, Krisophias, Hyksos, Staff, Mystic Rose of the Ecclesia, and all Temple of The Presence Temples, Altar Groups, Acropolis Forums, and their leaders and members around the world. By the Power of the All-Seeing Eye: Concentrate the Intelligence of the **Mind of God** and the **Mind of Christ** in, through, and around the four lower bodies of all mankind and the Earth and her evolutions.

Expose the weight and pressure of personal karma burdening Saint Germain's Ten Thousand Torch Bearers. Expose all karmic entanglements, spiritual blindness, family mesmerism, and planetary effluvia blinding their Christ Attunement and preventing them from engaging in Saint Germain's Mission through this Activity.

Expose instantly the root of all ignorant, malicious animal magnetism, all superstition, channelers, psychic imposters of the Ascended Masters and their Representatives, all rebellion against Hierarchy,

all religious bigotry, misguided zeal, anger, self-righteous fanaticism, hatred, and vicious gossip directed against The Temple and its members.

Expose the cause and core of all opposition to the Banner of the Ascended Masters upheld by The Temple of The Presence, its Anointed Representatives, Hyksos, and active Torch Bearers around the world.

Cut the umbilical cord of mental and emotional riptides feeding into all persons, leaders, and groups exposed by the Power of the All-Seeing Eye. Shatter and consume all vicious gossip, lies, self-pity, character assassination, and hatred of the **Christ Light** working through every carnal mind and institution. Strip them of all carnate and discarnate entities fueling their virulent psychism, their channeling of false hierarchy imposters of the Ascended Masters to deceive the very elect. Arrest every spiral of endless, railing accusation, all efforts and strategies to destroy, malign, discredit, or impune the honor and integrity of the Office and Person of Anointed Representative through every form of glamour, innuendo, psychism, aggressive mental suggestion, fear, intimidation, litigation, violence, public outcry, or adverse publicity directed at the Torch Bearers and Representatives.

Seize, bind, and lock all riptides of discord, all floating grids and forcefields of ancient, entrenched self-pity, self-righteous rebellion, mindless ranting, and hatred of the **Christ Light** accumulated on the astral and psychic planes. Seize, bind, shatter, and consume the cause, effect, record, and memory of the worldwide karma of bloodshed, terror, violence, poverty, debt, sin, disease, death, hardness of heart, and closed-minded bigotry opposed to the Truth of Cosmic Law and burdening Saint Germain's Ten Thousand Torch Bearers.

In the Name of the Unfed Flame! (3x)

By the Power of the Three times Three! (3x)

We speak directly to those threatening appearances!

You have no power! (3x)

Mighty I AM Presence! Blaze! (3x) the full Power of the **Great, Great Silence** in, through, and around every condition exposed by the Power of the All-Seeing Eye. Replace it instantly with the **White Cube of the Cosmic Christ Consciousness!** Let our Banner wave proudly and publicly. Let the world's Hearts, minds, and imaginations behold and embrace the Dawning Golden Age of Saint Germain.

Mighty I AM Presence! Beloved Saint Germain!

Roll back and consume all opposition to the Divine Plan for The Temple of The Presence and Torch Bearers worldwide!

Roll back and consume all opposition to the expansion of the Teachings of the Ascended Masters through The Temple!

Roll back and consume all planetary discord or personal karma oppressing the Ten Thousand Torch Bearers!

Roll back and consume all astral and psychic grids and forcefields opposing the appearance of our Beloved Sophia, Mother of Wisdom. Call Home the Children of the Light to sit once again at the feet of the Divine Mother and learn her ways as students of Acropolis Sophia!

Mighty I AM Presence! Beloved Mighty Victory!

Take command of every human condition exposed by the Single-Eyed Vision of Cyclopea this day! Turn every one of these conditions upside down and bring an Ascended Master Miracle of your Victory out of them!

*The Light of God never fails!
And the Mighty I AM Presence is that Light!*

Mighty I AM Presence! Send forth the Armies of the **Cosmic Light**. Let them be arrayed across the vast margin of the world. **Mighty I AM Presence!** In the Name of the **I AM Conscious Cosmic Christ Command**, we raise our Voice on high! Let the sound of our Heart's Voice pierce through every human veil and reach the Courts of Heaven, yea, into the Throne Rooms of the Cosmic Councils. Let the Thrones, Principalities, and Powers of the Ascended Octaves and Cosmic Realms resound this day with the shout of our Heart's Call. **Mighty I AM Presence!** Beloved Cosmos, Beloved Kronos, and Beloved Regulus, we say with One Voice:

Let the **Cosmic Light** of Freedom, the Light of Ten Thousand Suns descend into the atmosphere of the planet, into the mental and emotional realms, into the earth plane. Let the Armies of the Lord, the Legions of Light, the Blue Flame Legions of Archangel Michael and Faith, the Violet Flame Legions of Zadkiel and Amethyst, the Ruby Ray Legions of Chamuel and Charity and Archangel Agapiel, and the Electric Purple-Blue Legions of Archangel Roiel and Beloved Surya from the God Star Sirius be drawn up from horizon to horizon.

Let them be arrayed in ranks of fiery chariots clad in the resplendent armor and raiment of the **Sacred Fire**.

Beloved Goddess of Liberty, we call to you to lead these Armies as a mighty Colossus, bestriding the continents of the Earth and holding high the Torch of Freedom. Let the great Freedom Banner of Saint Germain's Maltese Cross wave proudly on high. Let the Cosmic Conflagration begin. Let it continue unabated so long as our voices are raised, so long as the Sons and Daughters of God decree, and until all of the Earth is Free!

***Break forth Great Cosmic Light!** (3x, 9x, 12x)*

The God of Freedom's Goldprint for The Temple

Mighty I AM Presence! Release your **Great Cosmic Light**. Throw open the gates of the great Wisdom Temples where Heart Flames, young and old, may assert the Divine Authority of their own **Mighty I AM Presence**, win their Ascensions, and join the ranks of the Ascended Masters.

We decree that the Goldprint for The Temple of The Presence outlined and envisioned in *The White Paper* and *Coeur de Lión Brochure* shall be lowered into manifestation beginning with Aurora Pavilion, Fleur-de-Lys Chapelle, and the full outpicturing of every facet of the Goldprint for Coeur de Lión.

Mighty I AM Presence! Awaken the Ten Thousand Torch Bearers now and summon them to their destined Mission with this Vanguard Ascended Master Activity.

We decree that we shall move forward victoriously, into Aurora Pavilion! Into Fleur-de-Lys Chapelle! Into the White Temple and on into Victory's Temple! We decree that we shall join with the Ascended Hosts in that uppermost Temple and take our Ascension in the Light.

I AM Streaming Golden Helicon, anchoring the Love Charge of the **Great Central Sun Magnet** on the home altar of every Torch Bearer, on the altars of every Temple of the Presence Temple, Altar Group, and Acropolis Forum destined to come forth and prosper everywhere around the world!

***The Light of God never fails!** (3x)
And the Mighty I AM Presence is that Light!*

Cry Freedom's Cosmic Light!

Mighty I AM Presence! I AM the Conscious Cosmic Christ Command! Let the Armies of **Cosmic Light** be arrayed across the vast margin of the world. Let the sound of our Heart's Voice pierce through every mortal veil to the Courts of Heaven, yea, into the Throne Rooms of the **Cosmic Councils**. Let the Thrones, Principalities, and Powers of the Ascended Octaves and Cosmic Realms resound this day with the shout of our Heart's Call. **Mighty I AM Presence!** Beloved Surya, Beloved Hyperion, Beloved Kronos, Beloved Cosmos, and Beloved Regulus, we say with One Voice:

Let the **Cosmic Light** of Freedom, the Light of Ten Thousand Suns descend into the atmosphere of the planet, into the mental and emotional realms, into the earth plane. Let the Armies of the Lord, the Legions of Light, the Blue Flame Legions of Archangel Michael and Faith, the Violet Flame Legions of Zadkiel and Amethyst, the Ruby Ray Legions of Chamuel and Charity and Archangel Agapiel, and the Electric Purple-Blue Legions of Archangel Roiel and Beloved Surya from the God Star Sirius be drawn up from horizon to horizon. Let them be arrayed in ranks of fiery chariots clad in the resplendent armor and raiment of the **Sacred Fire**.

Beloved Goddess of Liberty, we call to you to lead these Armies as a mighty Colossus, bestriding the continents of the Earth and holding high the Torch of Freedom. Let the great Freedom Banner of Saint Germain's Maltese Cross wave proudly on high. Let the Cosmic Conflagration begin. Let it continue unabated so long as our voices are raised, so long as the Sons and Daughters of God decree, and until all of the Earth is Free!

Break forth Great Cosmic Light! (3x, 9x, 12x)

Break forth in all your magnificence and resplendent glory! Pour forth across the high vault of Earth's atmosphere a vast, Cosmic Array of Violet-Purple-Pink Living Flames of God's All-Consuming Love. Send forth barrage after barrage of Violet Flame rockets high into the atmosphere, exploding great star-bursts of phosphorus luminescence, blazing with the full spectrum of Transmutation from Violet Mercy Flame to deep Electric Purple-Blue. *Blaze!* (3x) the Violet Flame through each star-fire cluster drifting gently Earthward.

Let the Angels of Zadkiel and Amethyst march directly into the midst of each psychic forcefield and astral cloud, brandishing their great Violet Flame Swords, sparkling as Fourth of July fireworks with the iridescence and luminescence of the Violet Singing Flame!

Anchor fiery pinwheels of electrifying Violet Fire over the nadir of that discord! *Accelerate!* (3x) the centripetal and centrifugal whirling action of this Cosmic Violet Flame Substance. Beloved Zarathustra, release thy Outpouring of Purity through the White Fire Core of each Electron and *Swallow up that darkness now!* (3x) Let the great Universal Outpouring of Divine Joy and exaltation engulf the Earth in that great, abiding, indomitable Spirit of God Freedom, exulting in the Goodness of God's Love for all creation.

Cause this Outpouring of Cosmic Violet Flame Substance to enter the Earth's atmosphere as gently falling snow of Self-Luminous Light. Cause the glowing snowflakes of Violet Flame to attach themselves to those Electrons overlaid with discord and misqualification. Let the fiery zeal and passion of this Ascended Master Violet Flame Substance impart the exhilaration of the All-Consuming Love of God, washing away all discord and restoring the Electrons and elemental essence to their native Purity and delight.

I AM the Conscious Cosmic Christ Command of Torch Bearers around the world, signaling by our Fiat a heartfelt welcome to the onrushing **Cosmic Light**. We salute your **Cosmic Light**, O Beloved Sanat Kumara and Lady Master Venus! We salute your **Cosmic Light**, O Beloved Alpha and Omega, Beloved Omritas, Mighty Arcturus, Mighty Hercules, Mighty Goddess of Liberty, Beloved Zadkiel and Amethyst, Beloved Kwan Yin, and our Blessed Holy Brother, Saint Germain.

I AM the Open Door to thy Divine Authority to act without reserve in the affairs of this Earth, in the affairs of the men and women vested with positions of power. Consume all discordant misqualification burdening elemental life in the mental, emotional, and physical worlds.

In the name of our **Mighty I AM Presence!** We decree that the Earth shall emit more Light each day, until she radiates her own Self-Luminous Brilliance and shines triumphantly as Regulus, the Star of Freedom.

I AM the great, burnished, shining White Fire Shield of the Cosmic Honor Flame, protecting every Child of Light and Son and Daughter of God upholding the **Christ Light** in positions of responsibility and authority.

I AM the invincible Power of God Love issuing forth as the cloak of invisibility, invincibility, and invulnerability, guarding these Christed Ones in the fulfillment of their Divine Plans and furnishing them with the *Thread of Contact* to the **Brotherhood of Light** and **God Good**. **I AM Freedom's Cosmic Light**, tipping the scales of karmic merit of the Sons and Daughters of God in favor of their Christhood and upholding them in their Service and great Mission to Life.

Cry Freedom's Cosmic Light!
