VISIONS OF THE GOLDEN AGE!

THE TRUE LINEAGE OF THE GODHEAD CHARIOTEERS FIRSTBORN SONS OF GOD & ASCENDED MASTERS

Freedom Conclave 2021

Essential Elements for a Golden Age

Discourse — June 30, 2021

In this opening Discourse for the Conference, we are delighted to hear that the Keynote throughout will be the etching in brilliant living Light the Visions of the True Dawning Golden Age of Beloved Saint Germain, celebrating that Sacred Lineage of the Sons and Daughters of God as portrayed in the magnificent painting of the Godhead Charioteers, showing the coming forth of the unascended Godhead Charioteers and their return and homecoming once again into the Heart of the Great Central Sun. The Anointed Representatives and Ascended Masters seek to instill a greater zeal and passion within your Heart, a sense of mission and of Divine Service for you to esteem and know that what you have realized for yourself is the most precious of all earthly commodities. Our mission is great indeed: to *Keep the Sapphire Dream Alive* so that this and future generations may come to kindle that Living Flame in their Hearts at the Altar of Truth. The Visions of the Golden Age must center around those in embodiment who are tethering their hearts and minds to the Identity of their

Beloved Mighty I AM Presence. Without this the Golden Age will be stillborn. This True God Identity stands in repudiation of those lesser patterns of human identity that mankind in their rebellion have insisted on creating for themselves.

I Release the Action of the Emerald Ray and the Divine Matrix of Your True Identity

Cyclopea — June 30, 2021

Cyclopea entered the Earth this day bringing forth the Needle Ray Action of the Emerald Ray and the Divine Matrix for your True Identity to be drawn to the fore. When you have the ability to open your Heart and the Emerald Ray is nigh, the Truth of your Identity in God will work through your outer vehicles. When the Manus call for Cyclopea it is for the purpose of exercising a greater Momentum of God Truth in the land for the many Sons and Daughters of God. As the Godhead Charioteer, your Presence is fully engaged and apprised of all the details you are to bring to the fore, and as you make your calls, it will come forth if you allow it. There must be the *willingness* to engage. If there is not a *surrender* to the Will of God it cannot come forth. What is most important in your Godhead Charioteer journey from the beginning to this very moment is what is present upon the Altar of your Heart. It is never worth losing that Christ Vibration for any reason. You must embody Peace, Harmony, and Purity for there to be a Pure Chalice for the Emerald Ray to shine through.

The Pattern of Your True Identity

Discourse — July 1, 2021

We are speaking about Divinity, the Godhead, and the Individualization of that most Divine level of Identity. Individualization is a process that is ongoing, forever unfolding itself at the highest levels of Divinity in Realms where time and

space do not exist. And therefore, the Author of this Divine Self is the glorious Providence of The Great I AM in conjunction with The One and The Good. Those who aspire to this Oneness and a reunion with that Presence will be obliged to dismantle whatever residual human patterns may still reside within their four lower bodies and outer self. These include glorifying human traits, practices, and inherited religious concepts. Prior to the “fall of man,” unascended Godhead Charioteers lived and functioned in a manner very similar to how we know the Ascended Masters live today. The conditions of misery which followed have come about because mankind deliberately chose to look away from their Source in the God Presence.

***Hold Your Torch on High and Awaken the
Heart Flames of the Many***

Godfré — July 1, 2021

Your mission is to receive Divine Providence, know Freedom’s Flame and how to express that Freedom in your own life, realize Christ Consciousness, and put on the Garment of the Lord. Then, through your calls and devotions, you are to invoke the *Shekhinah Pillar* and the *Entire Spirit of the Brotherhood of Light* to protect that Freedom. Your passionate love for God is your motivation. This lifetime is an opportunity for you to realize the Fullness of your Christhood. Make a start by preparing your Chalice for the Power of God that is available to you to propel you through all of those areas that remain in *this* lifetime to fulfill your Fiery Destiny. That opportunity is there for every Son and Daughter of God. For the Flame upon the Altar of your Heart is your Divine Heritage throughout your journey that is to culminate in the Ascension.

***The Activity of the Ascended Masters in
Procuring a Golden Age***
Discourse — July 1, 2021

The Golden Age is an Activity in the Earth of the Ascended Masters. They bring with them the Gifts of the Gods and the Dispensations necessary to carry that extra-ordinary, tremendous thrust and impetus needed to accomplish the work at hand. This process is sponsored and supported by the Great Silent Watcher, the Manus of the Root Races, and the *Entire Spirit of the Brotherhood of Light*. There is a plan for this Golden Age that is outlined before the Lords of Karma, the Cosmic Councils, the Holy Kumaras, and the Nameless One — for there to be a new impulse granted, a new thrust onto the world scene with Transcendent Ideas, Vision, and the Truth of Cosmic Law® that far outpaces the old forms of theological beliefs that had been the standard of earlier epochs. A Golden Age occurs when the Teachings of the Ascended Masters are accepted in full Faith and out-pictured as the Ascended Master Way of Life®. Your participation in bringing forth the Golden Age requires that you engage with your Mighty I AM Presence and the stepping forth of your Christ Presence, signifying the Individual Mighty I AM Presence and the Heart Flame asserting God Dominion over the outer vehicles.

Ignite the Fires of Illumination and the Mother Light
God and Goddess Meru — July 1, 2021

The God and Goddess Meru, the Manus of the Sixth Root Race, anchor the Mother Light for the Earth that establishes a figure-eight flow with Lord Himalaya and the masculine Ray in the Himalayas. They also perform the Divine Service of holding fast to Illumination's Flame. Their Vision is that the Sons and Daughters of God have full command of Illumination's Flame so

that they take the right course, leading our Earth to the Golden Age. Where would you be without the closeness to your own God Presence? The Presence of God must be your highest priority! Illumination is the Divine wise-use of putting the Yellow Ray and the Mother Light into action. It is not sufficient to merely know, but you must also do. You must manifest and become the Light! And when doing so, you establish God on Earth! And so, even if you leave this incarnation before the Golden Age has dawned, you will have contributed to its completion, because its Momentum has been established as a result of your invocations to the Light of God, whereby you anchored the Light of your Presence and fulfilled its Fiery Destiny in Action here upon the Earth. That is a Golden Age!

***Oneness of Identity is Necessary for Anchoring
the Golden Age***

Discourse — July 2, 2021

Our goal this Conclave is for you to bring into sharp focus what the Golden Age looks like for you, your Divine Ideal conditions of life as you, more and more, become One with your I AM Presence. That singularity of Identity, that Oneness of Selfhood with your Presence, is paramount to your Victory. The Cup of God Consciousness of the Oneness that is proffered to you is the Consciousness referred to by Jesus when he said: “I and my Father are One.” When Jesus referenced his Father, He was referencing his own I AM Presence. You, too, are to conduct yourself in the poise and stature of Oneness with your own Presence. To enter into that Oneness, you must let go of the many misconceptions about yourself and of life, otherwise known as the “waking dream.” Your True Selfhood is anchored in the Individuality of your Presence. Your identity must be transferred to the True Identity of your Presence. To understand this Oneness, you must understand God as The One and The Good.

Establish a Golden Age and Stand in God's Glory!

Lord Himalaya — July 2, 2021

Lord Himalaya, Manu of the Fourth Root Race, anchors the Blue Flame of the Will of God, holding it as the masculine Ray for the Earth. Himalaya teaches that *willingness* is the key — your *willingness* to enter into the Light that your Presence sends forth, and your *willingness* to engage in God Reality. Practice fashioning your life with the Christ Command. As you engage willingly with the Flame of God, making that Flame and the Identity of your Presence the Identity that you strive to be, then all will be right in your world! You will have established a Golden Age, for the Light of Illumination's Flame burns brightly. Grasp every erg of Energy, every Momentum of God Consciousness from the Ascended and Cosmic Beings and from your Presence until you have internalized it, and then allow it to flow freely throughout your entire life. Then you will know what it means to stand in the Glory of God. As a Torch Bearer, you have an even greater Responsibility to hold the balance for the Sons and Daughters of God who have not yet realized their opportunity. See the Earth as a Golden and pure Regulus fulfilling its Fiery Destiny of a Golden Age!

The All-Pervading Oneness of God

Discourse — July 2, 2021

May you rejoice that your True Selfhood, your own Mighty I AM Presence, is the Individualized focus of The One and of The Great I AM. The human strategy of “divide and conquer” seeks to drive a wedge between those who are One under the One God. This divisiveness is intended to pit one part of life against another. All that seeks to divide and conquer is not of the Light. The solution is for each of the billions of lifestreams upon this planet to be considered as individual Sons and Daughters of the Most High God. The themes of individuality

and equality were hallmarks of Saint German's work with the founding of America. The Buddhic Realm is a Realm of Oneness, where there is such an overlapping of the AM-ness of the I AM, of Selfhood, to include everything that is part of that living Buddhic Web of Life. There is always the Individuality of the "I," but the "AM-ness becomes more prevalent in the Buddhic Realm, and more still in the Nirvanic world. Jesus felt himself to be an undivided part of everyone. The Ascended Master and your own I AM Presence are really One. *The One Decree* can be used to reunite your Heart and mind with the Great Central Sun.

Bring Forth the Fullness of Your Christhood
Maha Chohan — July 2, 2021

The Lord Maha Chohan presents teaching and instruction on climbing the Steep Path to Christhood — how to train your vehicles to operate in accordance with the Truth of your Identity as the Mighty I AM Presence. You must have the desire and the willingness to actualize the Presence of God within you and the passion to be close to your Presence. For you, the Golden Age begins now. And a Golden Age manifests by your integration with the Body Consciousness of your Presence, allowing for all that your Presence desires to share with you at any given time to occur. Guard your consciousness. Stand as the example. You are to live *in* the world but not *of* it. You are to *be* in the world while taking command of your world with the Light of God and the vibration that you draw from the Flame of God! You have a great Responsibility, for it is the Desire of your Presence to be of Service to God in Life, and to send forth the Light to wash clean the Earth and all upon it! Let the rise and fall of past cultures and civilizations caution you to hold fast to the Truth of your Identity in God.

***Lowering the Golden Age into Your
Consciousness and Forcefield***
Discourse — July 3, 2021

We turn our attention to the lowering of the Golden Age into your life, charging forth to fill your forcefield so it becomes God's little acre of heaven in the Earth, including the physical realm surrounding you. For this to occur, there must be a sense of the sacredness of the Life of your Presence that ensures nothing within your forcefield would taint the Purity of your Presence. Jesus' prayer, "Thy Kingdom come, Thy Will be done on Earth as in Heaven," was a reference to lowering the Golden Age into the Earth from the Great Central Sun where it is fully actualized. When the Limitless Power of your Electronic Body overflows into your feeling world, the Kingdom of God necessarily out-pictures. This should literally be understood as the Kingdom of God coming all the way down into the physical realm.

Establish a Forcefield that Is the Kingdom of God on Earth
Great Divine Director — July 3, 2021

The Light that you invoke in your morning devotions is to remain with you throughout the day, informing the decisions you make, the energy you dispense, the activities you engage in. Your Presence desires to actively participate in your life. Maintaining a pure consciousness allows you to receive the Blessings of God as they are revealed to you. Each Charge of Light you receive is to be held fast to and built upon. The more you wisely use that which is given to you by your Presence, the more your Chalice is filled. For the fulfillment of a Golden Age, the Kingdom of God must be established upon Earth. You have been exercising your will to enter into the Presence of God by invoking the Light and making yourself available to the Ascended and Cosmic Beings. Hold fast to every opportunity, for the blessings will continue to flow!

Harness the Crystal Cord Energies and Take God Dominion **Discourse — July 4, 2021**

Most of mankind have feelings and thoughts that react to the stimuli placed before them, feeding their life into them. This is done without any thought of bridling those impulses. This has been going on lifetime after lifetime. In the ascending arc of the Godhead Charioteer, you see the lifestream coming forth out of incarnation depicted with the four lower bodies in quite a different state. Now the four lower bodies are not unruly and ungoverned. They are under the absolute Conscious Cosmic Christ Command of the Christ Presence! The Christ Presence decides what the feelings will feel, what the mind will think, and what the attention of the memory body will be focused upon. There is so much in the Crystal Cord. It is in fact the Selfhood of your Mighty I AM Presence. That Power, that sense of Beauty, and the Sun Light of your Mighty I AM Presence is flowing along the Crystal Cord. More and more, as purification takes place and God control over the bodies is reestablished, there is more volume and intensification of the Crystal Cord energies, setting the atoms, cells, and electrons in the four lower bodies spinning at a frequency where imperfection can no longer register.

Celebrate the Opportunity of Freedom **Saint Germain — July 4, 2021**

It is no small matter that you have elected to stand within the Momentum of the Ascended Masters, to invoke the Light of your Presence, and to expand the Teachings of the Ascended Masters through your calls for the greater good of all mankind. You wear the Mantle of the Light of your Mighty I AM Presence, and how you utilize that Light makes all the difference, not only

for your life and Ascension, but for the unity and expansion of Heart Flames that will bring forth a Golden Age. That Christ Light must shine through all negativity. The Temple is alive across the Earth in the hearts and minds of those committed to bringing forth the Golden Age and expanding Divine Consciousness in their land, and this allows for a greater Divine Outpouring of the Light of God. And when that Light reaches a certain pitch, the Ascended Masters will accelerate a greater Momentum for the Golden Age.

The Unified Oneness of the Great I AM that You Are
Discourse — July 11, 2021

The Consciousness of The Great I AM knows itself to be the Cause of all Causes, The Good itself, that supra-fused Oneness of all that will ever come forth out of the Godhead. It is the One Cause and it is the root Cause of all else that ever comes into the Realm of the Central Sun and also into the realms of Coming-To-Be. Another name for The Great I AM is Divine Providence. The reason why we must begin with a better understanding of Divine Providence is that if you do not know that your Mighty I AM Presence is the Individualization of Divine Providence then you may not appreciate the faculties of your own Beloved Mighty I AM Presence, and you will unknowingly not exalt your own Presence to the highest zenith of Selfhood. So, we must begin with the consciousness of The Great I AM. First and foremost, we think of it as a luminous state of absolute Awareness. Awareness as in an absolute wakeful state. Whenever its attention is directed into anything, it will know that thing in its Perfection because that is the Law of the Being of The Great I AM and the Mighty I AM Presence, and imperfection will never be able to register on its Consciousness.

***Internalize the Purity of My Flame
Established Upon Your Heart***
The Nameless One — July 11, 2021

The Nameless One initiated a swirling action of the White Light of Purity so students could have the tangible opportunity to internalize his Flame. Appropriating this Release will change your life! You are to go beyond your outer senses to refine your Christ Attunement and work the miracles your Presence desires. When you invoke the Light of God, it will go forth in obedience, for the Mind of God understands every detail necessary to fulfill the command. This action is fueled by the intensity of your Love for God in Life. Establishing that Momentum of God Love is necessary for fulfilling the Law of God — the Law issued forth from The One as the example in commanding the Light. You will want to study this progression the Nameless One has given you this day until it becomes second nature to fulfill all your Presence desires in your day-to-day life. Remember, there are no days off from being the Christ.
